# Three Men Lose Lives In Marengo Factory Explosion

## Blast Shatters Two Buildings, Damages House Near Plant

### RESIDENT THOUGHT IT WAS EARTHQUAKE; MAN LOSES LIFE WARNING BROTHER OF BLAST

Three Marengo men lost their lives in an explosion at the Columbus Fireworks Company plant just of Marengo shortly after noon Tuesday.

Killed in the explosion were Marvin Covrett, 28, Centerburg, R. 1 and James Stooksberry, 22, Marengo R. 1. Darrell Covrett, 21, brother of Marvin, was fatally injured and died in University Hospital at 4:45 Tuesday afternoon.

Witnesses told that Marvin was outside the hut in which his brother and Stooksberry were working when he heard trouble. He ran into the shed to warn the men just as it blew up. He was hurled 50 feet from the hut against another building.

Joseph Caccavello, owner of the plant, and his brother-in-law, Howard Dougherty, both of Columbus, were working in one of the huts when the blast occurred and credit their car for saving their lives. The door of their hut was blown off and flying debris shattered the windshield of the car parked beside it.

They were at a loss as to what started the blast. Mr. Caccavello has been in the fireworks manufacturing business since 1918 and this was his first accident. He estimates the damage to the plant at \$25,000. "I don't care about that, the only thing I care about is my men," he told the News.

The plant is located on a 50-acre site just south of Route 229, 4 miles east of Marengo. Only five men were working at the time of the blast. The plant includes about 20 huts which are frame buildings.

The men told that a drying shed next to the one the men were in blew up first.

Thought There Was Earthquake

The farm home of Mr. and Mrs. Harvey Ward, a fourth mile from the plant received considerable damage. Mrs. Ward told the News that she had started down the basement steps when the house began to weave, glass

rattled and for a moment she thought an earthquake had struck. Two small windows and a large picture window in the house were blown to pieces and ceilings of rooms were cracked.

Two fairly new trucks parked near the buildings were demolished. The men killed were working at a table in a hut at the north side of the main building which was 25x30 feet. The other building 12x20 feet stood about 75 feet south of the main building. Debris was scattered over a radius of 800 feet.

Raymond Grandstaff, an employee of Ross Junk Yard near by, was the first to reach the scene after the explosion occurred at 12:20 Tuesday afternoon. Residents in the area told that the sky looked like an H-bomb explosion that they had seen on TV.

## Fireworks Discharge After Blast

Fire Chief Orland VanSickle of Marengo told Mrs. Douglas McKay, News reporter, that there was fire in the south building for about 25 minutes. "Sky rockets and other fireworks kept going off," he told.

Leaves were stripped from trees in an area 50 feet wide and 150 feet long.

Norris Simpson, Highland School principal, had just left the Marengo building to go to the Highland High School and saw the big cloud of smoke as he drove on Route 229. The blast was heard as far away as Mt. Vernon.

Funeral for the Covrett brothers will be held Friday afternoon at 2:00 o'clock in the Highland High School gym. Marvin was president of the Highland Athletic Boosters for two years and both of these men have worked hard for the new Highland School.

Funeral for James Stooksberry has not been announced.

## Sunbury Lions Club Sponsors National Essay Peace Contest

Sunbury Lions Club announce that their annual broom sale will be held Saturday, Oct. 15. This is only one of the many money raising activities which the Lions carry on each year to raise money to be used on civic causes. The brooms are made by the Ohio Commission of the Blind and will include regular house brooms as well as whisk brooms.

At the meeting Monday night the Lions approved the purchase of two pairs of glasses for children in the community which is one of the services their money is used for each year. They also voted to give \$25 to the Big Walnut winner in the Essay Peace Contest which is sponsored by the Lions Club International. Gerald Strosider is chairman of the essay contest and anyone ages 14 through 21 wishing to enter the contest may receive particulars from him concerning application. The winner from Big Walnut, besides receiving the \$25 award will be sent to the

District where the first prize will be \$150. Winners may work up to the International level.

The club members are asked to report to the high school grounds this Saturday morning, Oct. 1, at 9:00 o'clock to work on the tennis courts and the football field. All help which can be given will be appreciated.

Other activities at the Monday night meeting included the acceptance of two new members, David Rump and Richard Sears, the film on northwest Canada with commentary by Dr. Paul Millem, and the presentation of a plaque by George Lindsey, representing the Sesquicentennial Commission, to the club inscribed "for continuing community service."

## BIG WALNUT PLANS ADULT CLASSES

Big Walnut Board of Education is announcing adult evening classes to be held the first semester.

Registration is open to any adult in the Big Walnut School District. The program will be self supporting and will begin Oct. 11. Classes will meet each Tuesday evening from 7:00 to 9:00 for ten weeks. Registration will be in the superintendent's office daily from 9:00 a. m. to 3:00 p. m. and must be made on or before Oct. 7.

Suggested courses are Art, Metal Working, Wood Working, Typing, Clothing Construction and Modern Math for parents. The fee for each course will be \$10 except Clothing Construction which is \$5. Minimum class size is ten.

Supt. Hylen Souder says that other courses will be given if desired and asks for suggestions.

To Build New Albany Postoffice John Hackworth, contractor of near Center Village, has been awarded the contract to build a new postoffice in New Albany.

## Retarded Children's Council to Meet

First meeting of the Council for Retarded Children will be held Monday evening, Oct. 3 at 8:00 o'clock at the school in Bell-point.

The theme will be "Let's Get Acquainted" starting with the introduction to the parents of the first full time director of the school, Frank Donnelly.

Earl Redman, Administrator of the Delaware County Welfare Department and the Advisory Board to the school will be special guests. The staff of the school will discuss plans for the year with parents and friends of the program.

There are three classes at Bell-point and plans for a sheltered workshop are progressing.

Children in the classes will make name tags for the meeting and there will be a tour of the class rooms and other facilities now in use at the school.

The public is invited to attend this first meeting and to participate in it.

## FIRE DAMAGES HOUSE SOUTHEAST OF TOWN

BST Firemen were called yesterday afternoon at 1:30 to put out a blaze in the house of Mrs. Dora Bailey on Route 605 south of Route 37.

Firemen soon had the blaze out with little damage. A hole was burned in the roof and other damage was caused.

Mrs. Bailey's son, Harold, who lives nearby, told the News that he was driving by the place and saw smoke coming from the chimney. He called his granddaughter, Mrs. Robert Smith, who is moving into the house to see if she had started a fire. She told him that she had not. "They had moved their furniture into the house but were not there so I knew there was a fire," Mrs. Bailey told the News.

The firemen were here in a few minutes and soon had the fire out. I have no idea what started it. Mr. Bailey told.

## Big Walnut Club to Hold Gun Safety Demonstration

For the regular October meeting of the Big Walnut Conservation Club Thursday evening, Oct. 6 they have scheduled Robert Trowbridge, owner of the Maxtown Store and former firearms instructor of the Columbus Police Department to explain and demonstrate the mechanical and human factors in relation to firearms safety.

A demonstration on ammunition will also be held.

Gary Girberd, club president, says, "This program is being held during October because we are now in the first part of the annual small game hunting season. Safety with firearms of the hunting line and in the field are one of the goals of the Big Walnut Conservation Club. A safe, accident free hunting trip is a good hunting trip to remember."

This will be an open meeting. An invitation is extended to all hunters especially father and son teams.

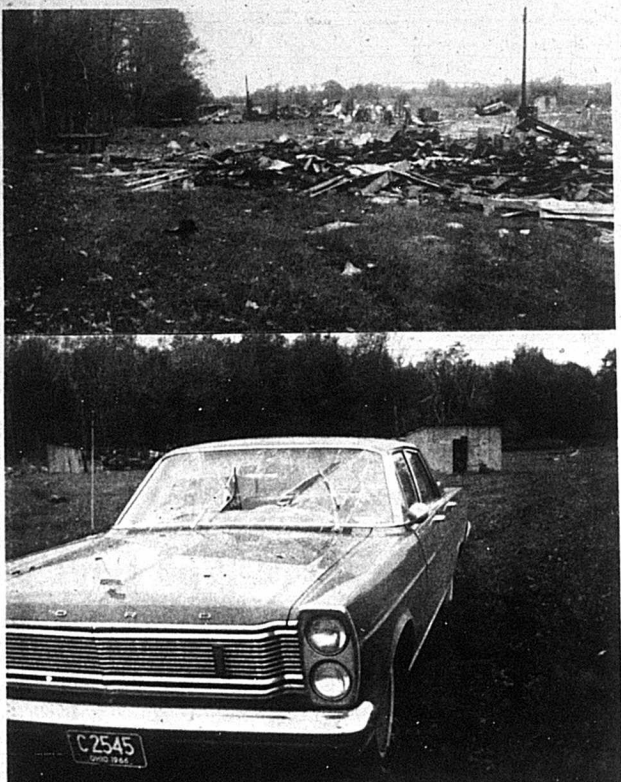

## Takes Sheep to New Mexico

John L. Ryant, Merino sheep breeder of Johnnycack Corners, left with Lee Howard of Sunbury and Robert Patrick north-east of town Monday morning to deliver 23 of his registered Merino rams to George Clements at Picacho, N. M. Mr. Clements buys registered Merino rams from Mr. Ryant each year.

## NEWS INSTALLS COIN BOX FOR READERS

The Sunbury News has installed a "Help Yourself" to the News box on the front of the building where you can obtain the News and drop your 15c in the barrel.

News editor Bill Whitney says "We believe that our residents are honest and we have no lock on the coin box. We have found that a few gyp us but we will continue this service. You may obtain a News here or at Hill's Drugs."

**THREE LOSE LIVES HERE** - Top picture shows the debris from two buildings that blew up and killed three men at the Columbus Fireworks Company plant just east of Marengo shortly after noon Tuesday. Second photo shows the car with the windshield shattered by debris. The car was parked near the building in the background with the door blown off. Joseph Caccavello, 2827 N. Star Rd., Columbus, plant owner, and his brother-in-law, Howard Dougherty, 2545 Renwood Place, Columbus, were in this building when the blast occurred and credit the car with saving their lives. The third picture shows Mr. Dougherty looking over what was left of the buildings. The bottom photo shows the remains of a new truck that was parked near one of the buildings.

## FIRST SOYBEANS HARVESTED ARE TOO DAMP; PRICE OF BEANS IS HIGHER THAN LAST YEAR

First soybeans harvested this season were brought to the Farm Bureau in Sunbury Monday by Arnold J. Williams of Trenton township and most other producers report their beans are not ripe.

Mr. Williams' beans tested 55 by weight and 14.88 moisture which were No. 1 by weight but too wet. No. 1 beans must test 54 or better by weight and 13 moisture, according to Dale Bailey, county Farm Bureau manager.

Price of beans this year is a little higher than last and \$2.63 is being offered for No. 1 beans. Sunbury Mill has tested several samples and report that most of the beans tested 15 moisture.

Farmers report a good crop of beans this year and need some dry weather to ripen them. This is one of the major crops in this community.

Both the Farm Bureau and Sunbury Mill buy beans here and Snyder's Milling in Marengo buys beans.

## Former Ashley Resident Dies

Mrs. Gertrude Baker Westbrook, 76, of Cardington died Saturday in the Colonial Manor Nursing Home in Fulton after a two-year illness. She was the widow of Lynn C. Westbrook, poultry buyer in Morrow and Delaware county and formerly lived in Ashley. Funeral was held Tuesday in the Curl Funeral Home at Cardington and burial made in Glendale Cemetery there.

Surviving are a daughter, Mrs. Mary G. Roberts of Cardington and Marshal of Columbus; a daughter, Mrs. Frances VanHorn of Hillsdale, Mich.; 10 grandchildren and 16 great-grandchildren.

## Indiana Woman Dies While Visiting Here

Mrs. Vinnie Della Clark, 90, of Anderson, Ind. died last Thursday noon in Jane M. Case Hospital in Delaware following a brief illness while visiting at the home of J. Frank Roberts, 157 Troy Road.

Mrs. Clark was a native of Indiana and was a member of the Nazarene Church in Greenfield, Ind.

Funeral was held Monday in the Pascoe Funeral Home in Anderson, Ind. Arrangements here were made by Bennett-Brown Funeral Home in Delaware.

Surviving are a daughter, Mrs. Mary G. Roberts of Cardington; 3 sons, Arthur C. Clark of Brooklyn, Ind. and Edward W. Clark of Anderson, Ind.; 10 grandchildren and 24 great-grandchildren.

## The News Editor Speaks . . .

Congratulations to Buckeye Valley School on a fine band! Without a doubt this is the finest high school band we have ever heard and we really enjoyed your concert Sunday afternoon. We know now, although the Atlantic City trip was on inspiration toward concentrated work and practice and did do your group good, you also helped the Atlantic City festivities and we are sure that many from all over the United States praised your performance there. While Miss Ohio, Sharon Phyllis, instills in each of us a pride in our county, you, too, cause us to raise our heads higher and to straighten up our backs!

Where did we get our information? A letter to the Editor this week asks this question concerning our editorial comment last week on Columbus phone service. We asked the writer of the letter about costs at the Sunbury council meeting and he said he had nothing to give us. We then investigated by asking those who are paying through the Galena phone service to Columbus and that is where we secured our figures. We really feel the public should be cautious in this so-called advancement and find out exactly what it entails before committing themselves too far.

Big Walnut football fans should be at the field to cheer the Eagles in their first home football game this Friday night. Be there and give Coach Del Stumbo and his team a big boost.

Letter to News Editor

## Columbus Phone Service Booster Objects to News

Galileo's teachings were criticized because everyone knew that the sun revolved around the earth. Columbus was told he was a fool for wanting to sail around the world, because everyone said the world was flat. Later our government was criticized for its part in the Louisiana Purchase. A century ago our country engaged in Civil War over the freeing of the Negro slaves. It has been less than ten years ago since we were told it would be impossible for man to reach the moon. Today, in this new world we are training descendants of ex-slaves to fly rocket ships from Florida to the farthest point of our solar system. This is progress! People without the true facts presented to them have always been the most critical of progress and unfortunately, they have not been around when time proved them wrong.

The fact that many people have not recognized what progress is does not mean that it is not needed and not wanted. "The News Editor" apparently feels that Columbus phone service for Sunbury is not progress and if it is progress, the people in this area cannot afford it and do not need it. He has referred to the number of persons who make more than 100 phone calls into Columbus every month. This is begging the question. We ask, "How many calls could be made to Columbus and how many calls would be made to Columbus?" The News Editor forgets about the people who want to call the Weather Bureau before taking a trip to Lake Erie and what about the people who are concerned about the health of Aunt Nellie in Riverside Hospital. He forgets what about Mrs. Brown who wants to call her husband who is working in Columbus to ask him to bring home a loaf of bread.

Or how about the Green's who would like to have Lazarus deliver a jungle gym for the kiddies. "The News Editor" forgets that mail service to Columbus and back takes four days and that it costs 10¢ a mile, as a minimum, to operate an automobile. That is at least \$420 for a round trip to Northland. This figure does not include the inconvenience and the time involved. It is unreasonable then for us to pay \$3.00 a month for a little more convenience and a lot more progress? It is unfortunate to say that it will cost \$3.00. Where does this \$3.00 figure come from? We were told by

the Public Utilities Commission that the charge would be \$2.00. We, therefore, question the accuracy of the News Editor's facts. We ask the News Editor where does he get his facts? Does he have facts? Is he trying to stand in the way of progress and growth in our community? Or will he find the facts as we have and then join with us in our efforts to stimulate the community to be prepared for greater things to come. This village and its citizens will not solve its problems by telling those who do not like things the way they are to go somewhere else. We are not living in an aristocracy. We must work together!

## Newspaper Advertising Effectiveness Key to Sears' \$100 Million Buy

The revelation by James W. Button, Sears Roebuck vice president in charge of merchandising, that the company's stores will spend more than \$100 million for newspaper advertising this year, has stirred a lot of excitement. The figure adds up to at least \$2.5 million more than last year's record breaking total of \$93,440,000, which was a \$17 million increase over 1964.

Mr. Button's explanation deserves a place in every newspaper account man's sales kit. "The fact that our retail stores place this confidence in the power of newspapers, however, is not based on a historical reason," he said.

"Rather, it is tangible evidence that newspaper readership continues to reach new heights each year and that newspaper advertising is regarded as the most effective way to bring our merchandise message to the public."

Last year's record breaking Sears investment in newspaper advertising was attributed in part to Sears' continuing expansion program, by Marvin C. Lunde, national retail sales promotion and advertising manager.

"More markets were served by more stores which necessitated the use of more newspapers and increased linage," he said. "The use of newspapers is related," he said, "to their ability to provide coverage, penetration and reach to the important areas of the market place."

And this year, as its investment in newspaper advertising is headed to a total of more than \$100 million, Sears is observing the company's 80th anniversary.

## BERKSHIRE, ROME, CARTER'S CORNERS NEWS

By Mrs. Beryl Johnson

The Berkshire Club will meet next week, Thursday, Oct. 6, at the home of Mrs. Norman Ryder. The Berkshire WSCS will meet on Friday, with the place to be determined later.

The food tent maintained by the Berkshire Church at the fair appears to have been a successful venture but it certainly produced some tired people by the end of the week.

George McGraw and Beryl Johnson accompanied most of the members of the Olive Green Boy Scout Troop 11 when they camped out at the fair last Tuesday night and Wednesday.

Recent callers of Mr. and Mrs. V. M. Conner were Mr. and Mrs. Andy Rod, Mr. and Mrs. Carl Miller and Kathy, Merle and Weller, all of Columbus; Mrs. Hazel Long, Mrs. Anne Leasure, both of Blacklick; and Mrs. Lester Cook, Mrs. Cosner enjoyed tea with Mrs. Barbara Ey on Thursday. Becky Groves, daughter of Mr. and Mrs. James Groves and granddaughter of the Corners, left for Kent State

**QUARTET TO SING HERE**  
 The Ambassadors Quartet of Columbus will bring an evening of gospel singing to the First Baptist Church of Sunbury on Sunday evening, Oct. 2 at the hour of 7:30.  
 The quartet is composed of Wilson Adkins of Sunbury as

base, Bill Adkins, second tenor, Ashbury Adkins, first tenor and pianist and Claude "Skip" Courtney as the baritone.  
 These men travel much in gospel singing and have made several records which may be had through many of the music outlets.  
 You are invited to come and share with the First Baptist Church in this evening of worship through gospel singing with this quartet.

## Big Walnut High Grads Marry in St. Mary's Church

Mrs. William Stover

Mr. and Mrs. Emil Boxwell of Sunbury announce the marriage of their daughter, Sandra Lee, to Mr. William Joseph Stover, son of Mr. and Mrs. Robert Stover of near Sunbury.

Father James G. McEwan read the double ring nuptial mass at 11:00 o'clock Saturday morning, Sept. 3, in St. Mary's Church in Delaware before an altar decorated with white gladioli.

The bride given in marriage by her father wore a gown of white silk organza fashioned in the bell silhouette and featuring a high oval neckline and elbow-length sleeves. Chantrelle molded the natural waistline and encircled the skirt. A plateau of orange blossoms held her shoulder length illusion and she carried a cascade of white fugi mums.

Mrs. Linda Breece of Sunbury was maid of honor and Candy Boxwell, sister of the bride and

Sally Stover, sister of the bridegroom, were bridesmaids. They wore floor length gowns of orange silk organza over yellow peau de soie. The gowns were styled with empire bodices which were accented with a bow in front. They wore matching circlets to hold illusion veils, and carried cascades of yellow and bronze mums and pompons.

Robert Stover was best man for his brother and ushers were Harvey Stover and Kris Farris. A reception was held at the church immediately following the ceremony with hostesses being Miss Shirley Stauch, Miss Evelyn Searies, both of Sunbury, Miss Sheila Cohan and Mrs. Joy Clager both of Columbus and Mrs. Denny Groseclose of Galena. Mark Stover brother of the bridegroom took care of the guest book.

Both Mr. and Mrs. Stover were 1965 graduates of Big Wal-

# Red Cross Adult Swimming Classes Open to Everyone

Registrations are now being taken by the Delaware County Chapter of the American Red Cross for adult swimming classes which will be held again this winter in the Ohio Wesleyan Natatorium. These classes are open to all residents of the county who are over 16 years of age.

Seven classes will be held for the fall term. Tadpole classes for men and women who know nothing about the water and beginners classes for men and women who do not know how to swim but who are at home in the water are scheduled for fall. Advanced Beginner classes will be held for all who have completed Tadpole classes and need to build up deep water endurance. Intermediate classes will be for those who are ready to learn new strokes on their sides and backs. Swimmers classes are designed to teach one the most difficult strokes and build up comfortable endurance in water.

Junior and senior lifesaving will also be offered. Junior lifesaving is for boys and girls, ages 12 through 15. Senior lifesaving is for all men and women over 16.

Water Safety Instructor is a two part course that will have one part given this term. This course enables one to learn the art of teaching swimming and upon completion certifies one to teach Red Cross courses. The prerequisites are a current Senior Lifesaving Certificate and

being 18 years of age.

Classes will be held on Monday evenings, starting Oct. 10 from 7:30 to 8:30 with the exception of Lifesaving and Water Safety Instructor which are two hour classes and will meet the same evening from 7:30 to 9:30. The first session will end Nov. 23. Cost of the eight lessons is \$4.00 payable at the pool at the time of the class.

Call the Red Cross office today to register, phone Delaware 362-2021 or 363-5871.

The Red Cross is a United Appeals Agency.

## Notice of Petition For Foreclosure of Mortgage On Real Estate

Robert S. Olinger and R. Jensen Olinger, Attorneys, 422 McAdams Building, Springfield, Ohio.

Ernest Hammons and Margaret Hammons, who reside at 704 Hillier Street, Detroit, Michigan, will take notice that on the 17th day of August, 1966, the plaintiff, Central Savings Bank in the City of New York, New York, filed its petition against Ernest Hammons, et al. in the Court of Common Pleas of Delaware County, Ohio, the same being Cause No. 19517, for the foreclosure of a mortgage on certain real estate and described in said petition, to-wit:

Situated in the Village of Sunbury, County of Delaware, and State of Ohio, and described as follows, to-wit:

Being Lot No. Six Hundred Forty-Five (645), in Sunbury Gardens, a subdivision of the Village of Sunbury, Delaware County, Ohio, as the same is de-

scribed and delineated in Volume 6, at page 113 of the Plat Records of Delaware County, Ohio.

Being the same premises conveyed to Ernest Hammons and Margaret Hammons from Raccoon Development, Inc., by deed dated February 3, 1960, and recorded in Volume 286, Page 578, Deed Records, Delaware County, Ohio.

Said premises are further known as 70 Arbor Drive, Sunbury, Ohio.

The prayer of said petition is for a money judgment, amount claimed - \$11,921.51, together with interest thereon at 5 1/2% from February 1, 1966, foreclosure of mortgage and sale of the above described real estate, and other equitable relief.

Said defendants are required to answer said petition on or before the 22nd day of October, 1966, or judgment will be taken against them.

Buckeye Valley Travels to North Union.

## Catholic Team to Beat After Topping Barons 18-6

Marion Catholic emerged to the front in the Mid-Ohio title chase Saturday night by virtue of their 18-6 victory over Buckeye Valley, although they face a test Saturday when they take on undefeated Cardington at Marion.

Catholic, taking advantage of Baron mistakes, took a 12-0 half-time lead and battled to a 6-6 draw in the second half before a near-capacity crowd at Buckeye Valley. They were led to their victory by senior halfback Tim Grady, who scored two touchdowns and his brother, junior, Kevin, who scored one.

Statistics tell the story of the Marion win, with Catholic out-gaining BV 268 yds to 144 on the ground and registering 15 first downs to 6 for the Barons. Buckeye gained 49 yds. in the air on four completions out of ten attempts, but had two intercepted. Marion completed 4 of 9 for 39 yds.

Although both teams lost one fumble which set up touchdowns for their opponents, Marion was charged with two fumbles and Buckeye Valley three. Penalties favored Marion, who were charged with 45 yds. while Buckeye had 55 yds. marched off against them.

**First Quarter is Defensive Battle**  
Both teams played exceptional defensive football in the first quarter as BV held Marion on their 31-yd. line in their initial drive after the kickoff and later a pass interception by Ed Cackler stopped another drive that had penetrated to the BV 24-yd. line.

Marion held the Barons to two losses their first try with the ball. In their second drive which ended shortly after the quarter break, they drove to the Marion 41-yd. line, where Mike Fathbrucker punted into the end zone.

Marion, taking the ball on the 20, drove to score their first

touchdown from there, aided by a 15-yd. personal foul penalty which gave them a first down on the Buckeye 42-yd. line. The drive took eleven plays, with the longest gainer Tim Grady's 25-yd. scamper around left end for the score. Kevin's run for extra points was no good with 6:58 showing on the clock.

After the Barons were held, following the kickoff, on the 50-yd. line, Mike Orahood punted to the 14-yd. line and Tim Grady returned to the 29-yd. line where a clipping penalty moved the ball back to the Marion 14-yd. line.

From there Catholic moved in 15 plays to score when Kevin Grady stepped over the goal line with Dave Barbier's 19-yd. pass as the gun went off ending the half. Barbier's pass for the extra points was no good.

**Aronhalt Recovers MC Fumble**  
The strong Buckeye Valley forward wall forced Kevin Grady into a fumble the first play from scrimmage in the second half, with senior guard Hank Aronhalt recovering for the Barons on the Irish 37 yd. line.

Cackler carried to the 33, then Orahood made the game's longest run when he raced to the Marion 20-yd. line on a keeper play. Tom Roberts carried to the 18, followed by Cackler's crash to the 12, and then Roberts came back with another dash to the 1-ft. line. Orahood sneaked it in from there and the Barons were down 12-6 with 8:57 remaining in the third period. Orahood's run around left end was no good.

Catholic took the kickoff and drove to the Buckeye 33 yd. line where the Barons stiffened and took over. Unable to move the ball, Orahood punted from his own 45 to the Marion 12 yd. line, with Kevin returning to the 17. Marion again couldn't move the ball, punting to Orahood who returned it to the MC 48.

Two plays later, Dennis Kapcar picked off an Orahood pass and ran it back to the BV 22-yd. line. The Irish were unable to push it over, so BV took over on the 2-yd. line. The Barons moved it out to the 42-yd. line in eight plays, but offensive holding pushed them back to the 25, and after gaining to the 36-yd. line they were forced to punt.

Tim Grady returned the punt to the MC 42 and then carried three straight times, the last one from the BV 48 to the 3-yd. line where he was pulled down by a shoestring tackle by Fathbrucker. On the next play he carried it in with 4:35 on the clock and Barbier's run for the extra point failed.

Buckeye's attempt to come back was stopped by halfback Joe Whelan who picked off an Orahood pass and ran it back to the Barons' 27-yd. line. They were unable to move the ball past the thirty where the Barons took over, but time was too short. The Barons went to the 43 for a first and the game ended with Orahood passing 24 yds. to Fathbrucker at the Marion 25 yd. line.

**Marion Catholic 0 12 0 6—18**  
**Buckeye Valley 0 0 0 0—6**  
MC Scoring: TD's — Tim Grady (2) 25 and 3 yd. runs; Kevin Grady, 19-yd. pass from Barbier.

BV Scoring: TD — Orahood, 1-yd. run.

## Eagles Attempt Rebound Against Braves Friday

Big Walnut Eagles, smarting from two consecutive defeats and 92 points scored against them while they were able to score only 6, will be out to attempt a comeback against the Orlentangy Braves Friday night in their home opener.

Friday night at Cardington, the Eagles handed the ball over to the Pirates five times on fumbles in the first period, spotting them a 22-0 quarter lead, held them scoreless the next two periods, then gave up three more touchdowns in the final frame to go down 42-0.

For the game, the Eagles fumbled the ball eight times, lost it seven times, with three fumbles leading to Cardington touchdowns. The Pirates fumbled the ball four times, losing it on three occasions.

All-Ohio candidate Lee Coomer scored three touchdowns to lead the Cardington attack, giving him a total of eight in his team's three straight wins.

Out of the first seven times the Eagles had the ball, they fumbled it away four times, including two kickoffs, and it wasn't until they were behind 22-0 that they were able to run more than three consecutive plays without a bobble.

Coomer scored the first Pirate touchdown from 7-yds. out and Dusty Snyder ran for the extra points with 7:03 showing in the first period. Larry Thomas passed 26-yds. to Ronnie Thompson for their second TD with 3:20 remaining and with 1:02 on the clock Snyder scored his second with Jim Miles running the extra points.

Big Walnut threatened only once the first half, when they drove to the Cardington 23-yd. line, but a penalty and incomplete passes ended the drive. The only other Cardington penetration was stopped by Jim Beaver who intercepted one of their passes after they had advanced to the Big Walnut 25 for a first down.

### Cardington Dominates Third

Another fumble, the first time Big Walnut had their hands on the ball in the third period, handed the ball back over to Cardington. They drove to the Big Walnut 18 where David Main stopped the drive as he fell on their bobble. The second fumble of the quarter set up the Pirate's fourth touchdown early in the final period.

In five plays, Cardington moved in for the score with Coomer grabbing a Thomas pass for the last 14 yds. Thomas ran for the conversion to make it 30-0 with 9:48 on the clock.

A Big Walnut player touched the kickoff and Cardington covered it on the BW 10-yd. line. Coomer scored another TD only fifteen seconds after the pass play as he dashed to paydirt on the first play. The run by Thomas as failed with 9:33 showing on the clock.

The Eagles made their only penetration of Cardington territory in the second half after this touchdown. This happened when Harvey Stover recovered a BW fumble on their 48-yd. line. Three plays later, the Eagles had lost to their own 40 from which they punted.

In eight plays, including two fifteen yd. penalties against Big Walnut, the Pirates marched in for their last score of the night. Joe Darnell carried the final 1-yd. for the score to make it 42-0 with 2:27 on the clock.

Statistics show the Pirates outgaining Big Walnut 231 to 111 net yards on the ground and 111 to 0 in the air. The Eagles completed but two passes out of nine attempts, one by an interference call that gained six yds. and on the other completion they lost six yards. Cardington completed 6 of 12 attempts and had one intercepted. The home team also led in first downs 13-7 and were penalized 45 yds. to 66 for the Eagles.

### Big Walnut Junior High Loses Opening Games

The seventh and eighth grade football teams opened their seasons Saturday night on the playground field with Johnstown

winning both games, 12-6 over the seventh graders and 6-0 over the eighth grade team.

Danny Saver scored the lone touchdown of the night for Big Walnut in the 7th grade game, although he was playing with a fractured finger. Scott Buell ran for a 90-yd. touchdown in the eighth grade game but it was called back due to a rules infraction.

Coach Howard Bricker reports that David Hammond broke his arm in the 8th grade game and will be lost for the season.

Saturday night a junior high game is scheduled against Chesterville at the Highland High school field. Bricker said that two games might be played, with the 7th graders playing the Chesterville junior high reserves. "Regardless of whether we play one or two games, starting time is still 7:00 p. m.," he stated.

## SPORTS WINDOW

BY JACK BREHM

After attending Big Walnut's "Fumbleitis" game Friday night, I was surprised to see Ohio State fumble the ball away on so many occasions Saturday in their game against Texas Christian. I guess it shows that even nationally rated college teams can have bad games when a case of "butterfingers" hits. The big difference was — OSU WON! One of the biggest thrills of my life was experienced during the half when the State varsity and alumni bands performed two script Ohio's on the field. I remarked to Steve Bilukam, who accompanied me to the game, that Link Harper, former drum major at State who led the alumni band, was really great. He replied, "Naturally, he's from Orlentangy." It was quite a thrill to see the old grads put on such an excellent show, and it was doubly important to Steve who followed every move his uncle made while marching with the Yets. . . . Saturday night at Buckeye Valley, Marion put on a fine display of flawless football as they rolled to their 23rd straight win in the Mid-Ohio behind Tim Grady's 199 yds. rushing. I feel that Cardington will have to get a lot of breaks in order to defeat this Max Ross coached powerhouse Saturday night. . . . The addition of the Marion Drum and Bugle Corps traveling with the Catholic team this year is quite a show to see. What with them and the Buckeye Valley band putting on their usual fine show, it was an excellent half-time treat. . . . Bob Daniels and Dale Reader both played with stitches in their faces Friday night. Several other players were injured but none are expected to be out of Friday's game. . . . The Buckeye Valley fans are ex-

## Orlentangy Loses Home Opener 16-0

Mt. Gilead Indians knocked the Orlentangy Braves out of first place in the Mid-Ohio League and dropped their record to 1-1-1 Friday night as they spoiled their home opener by winning 16-0. The Indians by winning now share the lead with Marion Catholic, North Union and Cardington, all who won weekend games.

Mt. Gilead took the opening kickoff and marched in for the score with senior quarterback John Coning sneaking in from one-yd. out to cap the 60-yd. drive. Coning also ran for the extra points and the Indians led 8-0 with 7:03 showing on the clock.

Orlentangy drove deep into Mt. Gilead territory twice in the second quarter, with the first drive, started in the first period, ending on the 5-yd. line, where they failed to make a first down by two inches. The drive covered 64 yds. and was the longest one put together by either team.

Later in the second quarter, Orlentangy was extremely proud of the condition of their football field. I remarked to Tad Seely, their athletic director, that it was the best looking field I'd seen this year and he replied that they have spent a lot of time on it and it has paid off. . . . A faithful reader from Johnstown, Clarence McKenzie and his wife Bess ran into a fisherman's paradise at Seneca Lake ten days ago. At their cabin for the weekend they caught 250 crappies, all of them over 7" long and many of them over 12". "Mack" told me that he never saw anything like it. Sunday afternoon and evening they caught 140, most of them were "junkers". . . . Marion and Bob Morris and Ken Cook seeded the football field Tuesday afternoon with the help of Howard Bricker and his football team strawed the bank. Weather permitting, they will attempt to do the field this Saturday and Bob would like to have 10 or 15 guys there to help keep the blower loaded.

with fullback Navy Aquila and junior tailback Dick Andrews doing most of the carrying, they drove to the Mt. Gilead 3-yd. line, where once again Mt. Gilead took over.

Mt. Gilead scored their second touchdown in the third period as they recovered a punt on their 13-yd. line and marched in for the score in four plays. Senior fullback Frank Slavik scored from 3-yds. out and Coning passed to Mike Hord for the extra points.

Orlentangy led in first downs for the game 9-7 and Mike Haller completed two passes to Bob Cline, plus throwing four others, for 23 yds. Mt. Gilead had a net rushing yardage of 195 while the Braves ended with 148.

Orlentangy had two fumbles and lost both of them and Mt. Gilead had one and lost it. Rick Kennedy had two punts in the game for 83 yds. for an average of 41.5. Included was one punt for 51 yds.

Work-horse Navy Aquila, who was ailing Friday, carried the ball 22 times for 95 yds. and averaged 3.8 yds. per carry and Andrews picked up 55 yds. in 9 tries for an average of 6.1.

Seniors Willard Brown and Carl Bair were the leading tack-

# BUCKEYE VALLEY BAND SCORES WITH MISS OHIO

**STATE'S OUTSTANDING BAND** — Pictured above is the Buckeye Valley High School band that stole the show at the Miss America contest in Atlantic City where they almost tooted Sharon Phillian of Delaware to Miss America. Their majorettes in front are pictured with Miss Phillian, left to right, Rachel Hines, Joan Holt, Jill Brandes, Miss Phillian, Vicki Looney and Anna Marie Bechel. This picture was taken by Allen King, teacher and photographer at Buckeye Valley after the concert Sunday afternoon in the school gym.

A crowd of 1004 turned out to hear this band play and Miss Phillian sing Sunday afternoon, according to Mrs. Tom Jones, of the Band Boosters who sold tickets.

The gym roared with applause after each number by the band and Miss Phillian's songs. A standing ovation was given nearly every number and Director Ed Jones told that this was the best band he ever had. Larry Lukas, music supervisor at Buckeye Valley, accompanied on the piano for several of Miss Phillian's numbers which she sang at Atlantic to win first place in the talent show. Mr. Jones thanked everyone for their help and work that gave the band the Atlantic City trip.

The News editor and his wife enjoyed the concert and they told the director that this was the best high school band they ever heard. Bill Whitney, News editor, has watched high school bands since they started in central Ohio and he says, "This is the finest high school group that I ever heard. These boys and girls can play, sing and dance. Their director is tops, their uniforms are outstanding and all the boys had hair cuts. Congratulations."

The band will go to Oberlin

this Saturday to participate in an 8-band-rama in competition with Oberlin which has an outstanding group.

Buckeye Valley will play for the Ohio Wesleyan-Oberlin football game in Selby Field Nov. 5. The News wanted the names of this 140-piece band but Supl. Wiscup was kind enough to bring us the picture yesterday but told that they did not have time to identify all of the musicians.

## BIG WALNUT HIGH SCHOOL NEWS

Susan Arthur, Editor

The Youth and Science conference is designed to enlighten Ohio's brightest high school students regarding the development of world food problems. The Ohio State University, the College of Agriculture and Home Economics, and the Ohio Agriculture Council is sponsoring this conference to provide these young people with the knowledge necessary to maintain and ever increase our standard of living, while at the same time fulfilling our moral commitments throughout the world.

Big Walnut delegates to the conference on Sept. 17 were Kenneth Harper, Tom Paul and Terry Moore. These students were sponsored locally by Mr. Cecil Robinson of the Robinson Hybrid Seed Company.

About 2500 outstanding students attended the conference meeting and heard several distinguished leaders and scientists concerned with this problem. Big Walnut wishes to express its thanks to Mr. Robinson for his time and expenses given for the benefit of these students.

**GAA Meets, Elects Officers**  
With the start of the new school year, many organizations have held their first meetings to organize and elect officers. On Tuesday, Sept. 13, the GAA held its first meeting. This meeting was held to show the new members exactly what GAA meetings are like. Volleyball, basketball, and gymnastics were the scheduled activities.

Following refreshments, Miss Betty Copas, the GAA advisor, held an interscholastic meeting for the girls interested in volleyball.

Initiation was held on Sept. 27. The following girls are officers in the GAA: Janet Honaker, president; Linda Hamilton, vice president; Peggy Wise, secretary; Marianne Smith, treasurer; Alice Steen, hiking chairman; Marilyn Reichert, social chairman; Joyce Baker, intramural director; and Velma Potts, sergeant-at-arms. The GAA officers anticipate this to be the biggest and best year yet.

— Marilyn Reichert

**Junior Class Elects Officers**  
The Junior Class has elected its officers and steering committee for the school year. They are as follows: Ted Frost, president; Jim Boyd, vice president; Donita Levi, secretary; and Ma Linda Brenner, treasurer; and Theresa Caito, news reporter.

The members of the steering committee are given in the following: Mickey Arthur, Randy Craig, Beth Collier, and Diana Meade. The officers and the steering committee met Thursday, Sept. 15, to pick their class rings. Everyone will be given their rings, and the rings will arrive before Thanksgiving.

— Theresa Caito

**Girls Ensemble Has Nine**  
Thursday, Sept. 22, try-outs were held for the Big Walnut Girls' Ensemble. This group is featured at concerts, chapel programs, and many other additional performances. Members are selected on the basis of poise and vocal ability. The new members are Tanya Prather, Beth Collier, Lania Martindale, Yvonne Maynard, Rhonda Haycock, Patty Kaufman, Linda Drake, Linda Moreland, and Phillis O'Quinn.

The group will be practicing every Thursday after school under the direction of Mrs. Beulah Fritsche, vocal music instructor.

**Yearbook Staff Is Busy**

"We're on our way!" These are the words of Big Walnut senior Don Wolfe who was recently named the editor of the Big Walnut annual, THE FLAME. The staff has been chosen and they are working every Thursday night after school and whenever it is deemed necessary. Members of the staff are Don Wolfe, editor, Susan Arthur, business manager, Bob Daniels, Carol Heberling, Jodelle Guidotti, Ethel Angel, Eugene Hoke, Diana Borden, Alice Steen, Gary Smelser, Bruce Saunders, Nancy Craig, and Russ Bell. Already the staff members have sold several ads and selected the cover for the yearbook. The staff realizes that although the yearbook does not arrive until May, much hard work will be needed during the school year in order to produce the best book possible.

**FA Exhibits at Delaware Fair**  
The Big Walnut FFA chapter had one hundred and five exhibits at this year's Delaware County Fair. These exhibits included livestock, crops and soil projects. Members of the local chapter on the junior fair board are Mickey Arthur, Dan Jacobus, Ted Frost and Kurt Ide.

**FA Holds Egg Throw**  
The Big Walnut chapter held an egg throw Wednesday at the fair. Thirty-two entrants participated in this event, sponsored by the Delaware County Bank. The winners were Roger Neibarger and Marshall Hall, both freshmen at Big Walnut. Second place went to Ricky Bachman of Big Walnut and Tom Bale of Olentangy. Third prize went to Ricky Bachman and Mike Jones of Big Walnut. The prizes are \$3, \$2 and \$1 respectively.

**Members Give Demonstrations**  
The Big Walnut FFA was well represented Wednesday evening in demonstrations. Eleven members participated in the demonstrations, resulting in the winning of three classes. Mickey Arthur was in charge of the demonstrations. Winners are given in the following: Safety Team: Ted Frost, Beverly McLaughlin, first in class, grade A; Ed Pittman, Phil Dickinson, grade C; Bob Comstock, Steve Edwards, grade B.

## In Early Days . . .

## Central College Was First Started as College

By Ruth Domigan Truxell

As every old resident knows, the town of Central College, just south of Hoover Dam on Sunbury Road, took its name from "The College." The original name of the village was Amalthea.

On August 18, 1846, the Ohio State Journal published a brief announcement that the Trustees of Central College had invited the entire faculty of the Columbus Academe and Collegiate Institute to "remove" to Central College and conduct the school "systematically and thoroughly."

Students will be boarded for sixteen cents per week, each of the trustees furnishing their own provisions.

## Ad Describes College, Village

One year later, August 12, 1847, this lengthy advertisement describing the village of Amalthea and detailing various aspects of the college appeared in the Ohio State Journal:

**Central College, Ohio**  
Most of the citizens of Ohio are already apprised of the central and beautiful location of this college. It is situated in the beautiful little village of Amalthea, Franklin county, Ohio. Its location is elevated and healthy, twelve miles north of the Capital of the State. It is surrounded by delightful groves and pleasant scenery, and is free from those dissipating influences which are usually felt in most places in which our youth resort for instruction. There is not a tavern in the vicinity that deals in spirits, where the students could, if they were disposed, pass their time, spend their money and learn bad habits. This college is in prosperous condition, and offers facilities rarely enjoyed for the same compensation. The officers of the College consist of Rev. J. Covert, A. M. President, and Prof. of Mental and Moral Science and Language; Rev. E. Washburn, A. M., Prof. of Astronomy and Natural Philosophy; Wm. T. Clark, M. D.,

Prof. of Chemistry; and John S. Henderson, Prof. of Mathematics. Mrs. Covert is Principal of the Female Seminary. The price of Board in the College Hall, where most of the teachers board, is 75 cents per week; and in good private families board may be obtained at prices varying from 75 cts. to \$1. For the accommodation of students from abroad (from a distance), the President will furnish room, bed, stove, tables, chairs, and all necessary expenses except lights and washing, for \$80. per annum, (exclusive of vacations) and including lights and washing also, for \$90 per annum, to be paid semi-annually in advance.

The tuition of those who furnish for themselves will be:  
In the College Department, per annum \$30.00  
In the Higher Academe Department, per annum \$40.00  
In the Common English Department, per annum \$16.00  
Expenses in the Female Seminary the same as in the Preparatory and Common English Department.

**College Edifice Is Ready**  
A splendid College Edifice has been recently completed and other improvements have been made which make the College a delightful residence. An addition has lately been made to its Library and Apparatus.

Three college classes have been formed. The Freshman, Sophomore and Junior, and their respective members are diligently prosecuting their course of studies which the Trustees have recently adopted. Any young gentlemen that may be prepared to enter either of these classes, may find it to their advantage to enter as soon as practicable. Two courses have been adopted, a Classical course to be completed in three years . . . The first term of the Preparatory Department for the current year on Thursday, the 11th of August next, and the College Department two weeks later, and closes on the last Wednesday before Christmas. The second term commences on the first Thursday of January and continues to the last Wednesday before the 4th of July.

It is very important that those who wish to be connected with the Institution should enter at, or as near the beginning of the term as possible. No pupil received for less than half a term, and no deduction made for absence, except in case of sickness. All communications should be made to the President of the College—addressed Central College, Amalthea, Franklin county, Ohio.

## AHAB JENKS

President Board.

Founder of Old Blue Church. Of especial interest to some in this community are two men whose names appear above. Ebenezer Washburn, who founded the Kingston Presbyterian (Old Blue) Church in 1818, was connected with Worthington Academy, Columbus Female Seminary and other schools before he became a part of Central College, where he taught for many years. Ahab Jenks was the first pastor of South Berlin Presbyterian Church (1829-1832), at the same time serving Old Blue Church and other Presbyterian churches. (This detail was supplied by Mrs. Wilmer F. Pierce, Historian, South Berlin Presbyterian Church.)

At hand is a catalogue of the Officers and Students of the Academy of Central College for the year 1866-67, a 12-page pamphlet belonging to Henry Wilson.

The roster, headed PUPILS lists LADIES: 29; GENTLEMEN: 56; GRAND TOTAL: 85. Students from This Area

Attending the Academy from this area were Hattie Dickerman, Constantia (the name of the post office at Cheshire), B. F. Elliott, Sunbury, J. G. Marriott, Harlem, Frank P. Phillips, Marengo, Cornelius A. Sherman, Marengo, Robert E. Wilson, Sunbury, (father of Henry and Clyde Wilson), Thomas W. Williams, Harlem, James L. Williams, Harlem.

From the 1866-67 catalogue: This Academy is situated at

Central College, a quiet and pleasant village eleven miles north-east of Columbus on a gravel road; is two miles from the line of the Columbus, Westerville and Sunbury hack which leaves Columbus from the United States Hotel daily, at 2 p. m.

The main building, consisting of twenty-four rooms, is devoted to the use of young men. All the young men will be required to room here, and leave the rooms through the village for a disposition to improve their time are permitted to study in their rooms. A bell calls them to their recitations.

## Terms and Vacations

The year is divided into three terms of thirteen and a half weeks each . . . The first term beginning in August and closing in November, affords opportunity to young men to review their studies preparatory to teaching during the winter. Young ladies have like favorable opportunity in the winter term, to prepare for summer teaching.

tunity in the winter term, to prepare for summer teaching.

## Student Cost to Attend

## Expenses

Tuition is regulated by the highest study pursued and is payable in advance.

Geography, Elementary Grammar, Elementary Arithmetic, \$4.00  
Higher English Branches, Elementary Algebra, Book Keeping, Physiology 6.00  
Languages, Philosophy, Geometry, Higher Algebra, &c., 7.00  
Music (extra) 10.00

Board may be had in private families at about \$3.00 per week. Sometimes a number of students form a club, furnishing their provisions and hiring their cooking. The expense is thus reduced to about \$1.50. Others prefer to board themselves. Stoves are provided to which all have access for a small rent.

Rooms rent for \$2.00 per term to each occupant. Wood is obtained at \$2.00 to \$3.00 per cord.
