

County sales tax, Kingston levy defeated; Hoague wins

Michael Hoague was the winner, and the county sales tax the loser in Tuesday's primary election.

Voter turnout was dismal, with only about 26 percent of the eligible voters participating. "Pitiful" was how Deputy Elections Director Janet Breneman described voter turnout.

Voter participation in the eastern part of Delaware County, where there were no local issues, was even lower than the county rate. Only 14 percent of eligible voters participated in Harlem Township, and Sunbury Village, Galena, and Berkshire and Porter townships recorded about 20 percent participation.

Delaware County's 0.5 percent sales tax issue was behind in the initial returns Tuesday night, and never recovered.

The 10-year tax proposed to generate an estimated \$25 million for county road, bridge, and building improvements was defeated. Unofficial returns showed 4,690 votes for the tax (36 percent) to 8,318 votes against it (64 percent). That doesn't count 116 walk-in ballots cast by voters who recently moved.

County Commissioner Don Wuerzt said the results will send the commissioners back to the drawing board. They had pegged the tax as the long-term answer to crumbling roads, deteriorating bridges, and county offices and courtrooms they say are too small and too scattered.

"We will have to sit down and discuss this. Obviously we did not discuss what we would do (if it failed), because we were thinking positively that it would pass," Wuerzt said.

"We will continue to do the best job with the tax dollars that we have, and do as many capital improvements as the budget allows ... We will continue to repair roads and repair bridges as we have dollars available ... It's just that many of the needs, we're not going to be able to address."

Former Delaware city councilman Robert Hoffman, who campaigned against the sales tax issue, said he wasn't surprised by the outcome. He also helped lead the 1993 sales tax repeal drive.

"I think again, the county commissioners

didn't put together a package ... Not a pig in a poke, but a package submitted to the voters that guarantees that's where the money is going to be spent," Hoffman said.

The Kingston Township roads levy also was defeated, 142 to 187, with 39 percent of registered voters going to the polls. The levy would have raised \$34,000 a year for four years for road paving and repaving.

Former city prosecutor Hoague surprised a number of longtime local political observers, defeating Delaware natives Jeff Burkam and Mike Shade in the Republican primary for municipal court judge. The municipal court has county-wide jurisdiction over traffic and misdemeanor offenses.

Complete, unofficial returns showed Hoague getting 3,850 votes (43 percent) to 3,111 for Burkam (35 percent) and 1,936 for Shade (22 percent).

Hoague will apparently face attorney Andrea Yagoda in the November election for municipal judge. Yagoda, of Concord Township, filed independent candidacy petitions

Monday. (See related story on page 12.)

"I was not surprised," Hoague said Tuesday night.

"I've been very confident throughout. There were times when I was nervous and I had doubts, but I've really been at peace with this for at least the last three days," he said. He said he was sure enough that he broke from campaigning Tuesday afternoon for a round of golf.

Hoague acknowledged he was somewhat afraid he would be rejected as an outsider, as the one non-native son in the judicial election. Burkam, long active in local Republican politics and other community affairs, was appointed municipal judge in January after former judge Everett Krueger won election to the common pleas court bench. Shade, a local attorney, previously served as Delaware mayor and a city councilman.

Tree planting ceremonies

Harrison Street Elementary School pupils, above, help prepare a spot in front of the school for a new tree. The tree-planting ceremony on April 28 was coordinated by parent Jim Coffield, who is pictured in rear with school Principal Debbie Segner. The event also included a tree seedling give-away to the pupils; seedlings were donated by Central Ohio Free Tree Program. The Ohio Department of Natural Resources provided Arbor Day literature, and Davey Tree Co., through parent Bill White, donated the tree for planting.

Pictured at left, pupil Leah Palmer digs in while other pupils of Child Care Unlimited watch while a tree is planted near the Sunbury UMC sign. The tree is in memory of victims of the Oklahoma City bombing. Pupils also donated toys to be sent to the city.

Superintendent search narrows to 3 finalists

Two current superintendents, and one assistant superintendent top Big Walnut School Board's list of candidates for the district's top post. Southwest Licking School District Superintendent Thomas D. Gay, 40, Vermilion Local School District Superintendent Mark Gaggy, 46, and 45-year-old Sharon Zimmers, assistant superintendent at Vandalia-Butler School District, were interviewed for a second time by the BW board May 2.

Board President Mike Stumpf said he hopes a selection will be made by May 13. The board will probably make visits to the top candidate's community before making a selection, he said.

Gay has been superintendent at SW Licking for three years. He also is a former administrator for Hilliard City Schools. Gaggy has held the top spot in Vermilion School District for six years, and prior to that was superintendent at Mechanicsburg Local School District.

Zimmers has been an assistant superintendent at Vandalia-Butler for eight years, and also has served in other administrative posts in that district.

The next superintendent will follow Carl Martin, who became superintendent of Athens City Schools on Feb. 1.

Big Walnut High School senior Andrew Martin has accepted an appointment and full-ride scholarship to the U.S. Merchant Marine Academy in Kings Point, N.Y.

Martin, 18, son of Carl and Ellen Martin, is the first BW student in a decade to receive an appointment to a service academy.

He will continue his athletic career at the academy by playing soccer, and maybe basketball. The Merchant Marine Academy competes as an NCAA Division III school.

Big Walnut Athletic Director Steve Glesenkamp praised Martin's leadership, commitment to academics, and athletic accomplishments.

"One thing that Andy has been able to do is earn a total of 12 varsity letters, which is a milestone in itself," Glesenkamp said. "There's probably only two or three other athletes that have accomplished that goal ... He is joining an elite group."

In an age where athletes tend to specialize at an early age, Martin has

Sunbury recycling program struggles for visibility

By Brian Miller

The drop-off collection recycling program in Sunbury is not collecting as much as it could, according to Heidi Stuff, director of Delaware Recyclers.

Sunbury is one of three villages in Delaware County with satellite recycling sites run by the Delaware non-profit group. The Sunbury collection is held the fourth Saturday of each month 9 a.m. to 1 p.m.

Stuff blames the poor visibility of the current site and lack of knowledge about the program's existence, on its poor performance.

About 600-800 pounds of recyclables are currently collected at the monthly collections, Stuff said. She said that is far less than what was collected when the program was held at a different site.

The program was quite successful when it operated at the Sunbury United Methodist Church on Ohio 3 two or three years ago, Stuff said.

But the drop-off collection program closed due to funding problems. When it resumed about a year ago, the site moved to a location downtown on Morning Street.

She said the amount collected at the current site won't pay for the cost of the roll-off collection bin—\$130 each Saturday a collection is held.

"We are not getting nearly what we should be getting," she said.

Stuff said the drop-off collection program is funded by a grant from the Delaware/Knox/Marion/Morrow Solid Waste District, which requires that four drop-off locations be in operation. The grant expires in January, and the four sites will be kept in operation at least until then. After that the fate of the programs is uncertain, she said.

Items accepted at the Sunbury site are: aluminum and bi-metal pop cans; steel and tin cans; plastic milk jugs, liter bottles and detergent bottles; newspaper; glass (all colors);

magazines; and phone books.

She said the Sunbury site is well supported by volunteers, who staff it. Volunteers are paid a stipend for their work. Marilyn and Gerald Fletcher, a Sunbury couple, operate the Sunbury site.

Marilyn Fletcher said the Sunbury program is gaining momentum as

County growth expected to increase

"Delaware County Regional Planning Commission is predicting an upswing in growth. That's right! An increase in what's already one of the fastest growing areas of the United States."

• This county might have 96,274 residents by 2000, a 42 percent increase in 10 years?

• There might be 6,799 new houses built in Delaware County between now and the end of 2000, an average of about 1,236 per year?

• The present decade will see the village of Powell and Liberty, Orange, and Genoa townships each more than double in population?

And all that accelerated growth will happen in spite of an expected downturn in new home construction the next two or three years and a pinch in the county's sewer capacity, predicts Regional Planning Commission Director Tim DeWitt. He oversaw the preparation of the county's latest and most-advanced set of growth projections.

"We wanted to give all of the collective governments of the county a snapshot of the next five years," DeWitt said.

"This would put us in the top 10 fastest-growing counties under 1 million (population) in the U.S.," he said. He noted the projected 42-percent growth rate surpasses the 24 percent population growth the county saw in the 1980s.

The RPC has prepared detailed population and building-permit statistics and projections for the last few years. Reports aimed at helping local governments plan for expected growth. DeWitt said the latest projections are more sophisticated than those done earlier. The projections considered local building activity cycles of the last several years, plus vacancy rates, plus expectations that

BW's Andrew Martin to attend U.S. Merchant Marine Academy

By Susan Wright

Big Walnut High School senior Andrew Martin has accepted an appointment and full-ride scholarship to the U.S. Merchant Marine Academy in Kings Point, N.Y.

Martin, 18, son of Carl and Ellen Martin, is the first BW student in a decade to receive an appointment to a service academy.

He will continue his athletic career at the academy by playing soccer, and maybe basketball. The Merchant Marine Academy competes as an NCAA Division III school.

Big Walnut Athletic Director Steve Glesenkamp praised Martin's leadership, commitment to academics, and athletic accomplishments.

"One thing that Andy has been able to do is earn a total of 12 varsity letters, which is a milestone in itself," Glesenkamp said. "There's probably only two or three other athletes that have accomplished that goal ... He is joining an elite group."

In an age where athletes tend to specialize at an early age, Martin has

chosen to participate in four sports, Glesenkamp noted. He ran cross country all the same time he played soccer, then moved into basketball, and finally baseball.

Martin is a true scholar athlete and has been recognized as such by the Buckeye Athletic Conference, Glesenkamp said.

"We always emphasize athletics second and academics first. Whenever you can find an athlete who is a good student, that is good for your program," Glesenkamp said. Martin has maintained very good grades while participating in sports and taking the most difficult advanced placement courses offered at BW. Glesenkamp said.

Martin, 18, by example, and works very hard every day. Glesenkamp said. "It carries over to other players."

Appointment to a service academy is through political nomination. Martin's nomination came from U.S. Representative John Kasich, R-Westerville.

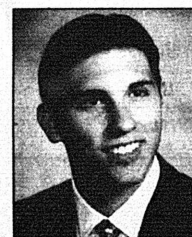

At the academy, Martin will major in marine science and prepare for a

career in the maritime industry. He chose the merchant marine academy over other service academies because there is no active duty requirement at the end of the four-year college term, his mother said. He will fulfill his obligation to the merchant marines as a reserve, she said.

His many athletic accomplishments include a four-year varsity letter winner in soccer, and an all-league selection and the team's leading scorer for the past three seasons. Also, he earned the Central Ohio Player Sportsmanship Award, and the Golden Eagle Award for Leadership.

Beyond the soccer field, Martin participated in basketball, cross country, and baseball, and by the time his high school career is over, will have amassed 12 varsity letters.

He holds a 3.8 grade point average, and is ranked seventh in the class of 161. Martin has participated in the U.S. Naval Academy's summer engineering/science seminar, and Buckeye Boys State, where he received the Good Citizen Award. He has been selected to the National

Andrew Martin

... will play soccer on a full-ride scholarship at academy

Honor Society, the National Spanish Honor Society, and a Delaware Gazette and Delaware Elks Teen of the Week.

He will leave for the academy July 10.

Martin joins other Big Walnut graduates to attend service academies, including Bobby Gibson, class of '83, who attended the Air Force Academy in Colorado Springs, Colo.

ELECTION

(Continued from Page 1)

Delaware City were approved. For Buckeye Valley officials the victory was very sweet — it was the district's eighth attempt at a bond issue since November 1990. The \$14 million, 25-year, 6.1-mill bond issue will fund construction of a \$7,950,000 middle school south of the current high school on Cover Road.

Also, the high school will be expanded with a new auxiliary gymnasium, auditorium, and up to 8,000-square-feet of classrooms, and the elementary school will also receive some renovations.

Other election outcomes include:

- Westerville Schools' 9.2-mill replacement levy was approved, \$7,972 to \$3,981.
- Westerville Library's 6.9-mill bond issue was approved 6,135 to 3,645.
- Bond issues in Johnstown Monroe and Northridge school districts were approved.
- The Orange Township liquor option was approved.
- Morrow County voters passed their 1.5 percent county sales tax issue. The unofficial vote was 3,532 for the tax (61 percent) to 2,220 against it (39 percent).

Flower barrel contest to get under way

Sunbury Square Merchants Association will again be sponsoring the Barrel Contest for downtown.

Area residents and business owners are asked to enter the contest and "adopt" any one of the flower barrels around the square. The barrels must be planted with flowers by May 29, and judging will occur Sept. 1. A first prize of \$25 will be given for the best barrel, judged for variety of flowers, appearance, types of flowers, and maintenance of the barrels over the summer. Second and third prizes also will be awarded.

To sign up for a barrel, contact Molly at Molly's Flowers, 14 E. Cherry St.

Trip to Germany, Austria planned by BW group

For eight Big Walnut High School students, the end of the school year can't come fast enough. Just six days after summer vacation begins, the students will travel to Germany and Austria on a eight-day trip to a region of Europe which they have been studying.

The trip is being offered as an extension to German class at the high school, but it is not a school sponsored trip, no school district funds are used for the excursion.

The trip is open to students who maintain good behavior and grades throughout the year, according to German teacher Georgia Craig.

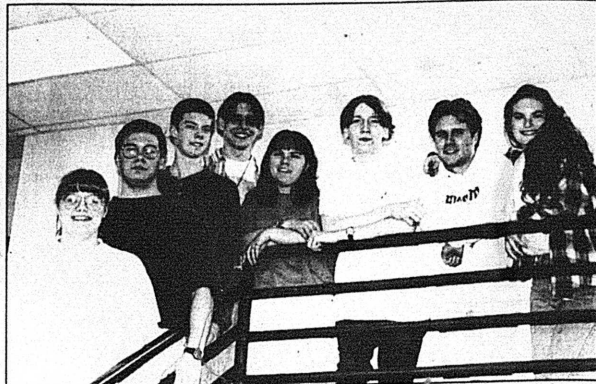

Each student and the four chaperones — two parents, Craig, and her husband, Mike Bowden, will leave June 7 and arrive in Munich the next day. The group will visit the Nazi concentration in nearby Dachau.

Other sites the group will visit include "fairy tale" castles of Neuschwanstein, the Hofburg Palace in Innsbruck, and Mozart's birthplace in Salzburg.

For most of the Big Walnut students this will be the first overseas trip. It's the second trip Craig has organized for BW students.

Once the group arrives in Germany, the will travel on a tour bus, with one or more other high school student groups. They will be staying in European-style hotels and eating genuine Bavarian food. The trip's \$1,399 cost includes all expenses except the noon meal, Craig said.

One of the students will have

Big Walnut students who will be visiting Germany and Austria in June are, from bottom, Carrie Simmons, Patrick Brumbaugh, Richard Lynn, Justin Baby, Geneva Chapman, Andrew Hartley, Steve Murdock, and Kristen Glockner.

their costs defrayed through a \$100 scholarship donated by the German Club. The money was raised through the club's fund-raisers last school year.

Many students spent most of last year working to earn money for the

trip. Some even admitted that this summer's jobs will go toward paying back parent "loans." Two seniors on the trip, Carrie Simmons and Steve Murdock, said the trip's cost will be part of the graduation present from their parents.

The students have been meeting regularly throughout the school year to prepare for the trip. Craig has organized presentations on the sites they will be seeing, as well as discussions about what to pack, and what to expect on the trip.

GROWTH

(Continued from Page 1)

the county's sewage treatment plant will be capacity for some of the next five years.

The report predicts:

- A total county population of 96,274 by 2000, reflecting an average 3.56 percent annual growth rate for the decade. The unincorporated population total, now estimated at 46,371, is projected to rise to 55,669. The total in incorporated communities, now estimated at 55,810, is to rise to 40,605.
- 1990's population growths exceeding 100 percent in Powell and

Liberty, Orange, and Genoa townships; exceeding 74 percent in the Delaware County portion of Westerville; and exceeding 20 percent in Sunbury and Berkshire, Berlin, Concord, Kingston, Porter, and Scioto townships.

Construction of 6,799 new residences throughout the county between now and 2,000, most of them in 1999 and 2000.

Building permit records kept the last several years at the RPC show a cycle repeating itself about every six years. DeWitt said, and a downturn is due. "We think that (home construction) is going to cool off a little

bit, then it's going to take off again," he said. Rising interest rates, although not figured into the projections, tend to support that scenario.

"Based on what's been going on, short of ... a big recession or worse, (home construction) is going to level off and then come on strong the last three years of the decade," DeWitt said.

DeWitt noted there were 3,300 new residential lots processed in the county in 1993 and 3,100 last year, compared to just 3,700 in the preceding six years combined. Nobody predicted that growth spurt here, he said.

RECYCLING

(Continued from Page 1)

more people learn where it is located.

"We have seen an increase in the last two months," said Fletcher. "People are coming by and are enticed by the effort."

Stuff said she would like to get the schools involved, because they can be effective in spreading word about a recycling program. But she said she has not been able to.

"We are dedicated," she said. "We need to find a better site," Stuff said. "It's all visibility and just knowing we are there."

Letters to the Editor

Thanks to those who made Expo successful

Dear Editor,

A note of thanks to all those who participated in making this year's Senior Expo a success. The Expo serves as an opportunity to bring our senior community together for fun and education and we thank all who helped make this year's event another success.

In particular we want to recognize the Bennett Brown Funeral Home and the Kroger Co. for their financial sponsorship. Each helped make this year's event possible. As well, the 60 business and social service exhibitors, local businesses who donated door prizes, volunteers who planned and worked at the event and the JVS Career Center staff deserve praise.

The Council on Older Adults has been very busy both continuing our many projects and activities, and gearing up for our expanded responsibilities. This active and committed support from throughout the community is both gratifying and very much appreciated.

Karen Debolt
Program Services Committee
Council for Older Adults

Most logical choice for I-73 route is not through rural Delaware County

Dear Editor,

The location of Interstate 73, the so-called "outer-outerbelt" or Columbus bypass, is a topic of much discussion in Delaware County. I feel constrained to offer my slant in addition to the other letters The Sunbury News has printed.

One fellow, Mr. Keeler, who makes no mention of the many farmers represented at the meetings, suggested that the people who oppose locating of the right-of-way through a rural path are the commuters who build their "dream houses in the country," and now imbued with mass naiveté, feel the expropriation of their land or the mere proximity of the roadway and its attending traffic noise — stops their pursuit of happiness in its tracks. He writes that anyone who has undertaken to build in these areas should have foreseen that the advance of "progress" would inevitably encroach upon their property. He apparently feels that the acuity of their foresight should have equalled that of his hindsight! Yeah, right.

It's obvious that this fellow's property does not lie in any of the prospective corridors. Conversely, one could infer that mine does!

When the interstate highway system was inaugurated during the Eisenhower administration, I believed, probably much as did the fellow above, that it was precisely what was needed for the nation, giving little thought to the effect it would have on the countryside and those who owned it, from which many derived their livelihood, nor did anyone recall that this ill-considered the eventual collapse of our great railway system as we knew it. One can hardly quarrel with the concept even now. (Our national population at that time was approximately two-thirds what it is now.)

Although I attempt to be objective

about the present controversy, I must confess my perspective is probably biased by the location of my property. Nonetheless, we are all conscious of the accelerating pace of urban spread, adjacent farmland being transformed into residential housing, shopping centers, water reservoirs, ad infinitum, at a rate directly proportional to the population increase.

My concern that our present attitude in dealing with our resources and environment, which takes us ever closer to ecological oblivion, should explain why I take a rather dim view of the writer's observation that the construction of I-73 through the rural countryside is an inescapable manifestation of progress.

An additional right-of-way would irretrievably remove thousands of acres of land in the Marion-Circleville leg from food production. In my view, the route via U.S. 23, 171 and I-270 would be the logical choice, as indicated in Mrs. Lynch's letter in the same News issue.

Arthur Anderson

Deaths

Father of area residents Carmel Carroll Sr.

Carmel Carroll Sr., 68, of Ashley, died the morning of May 1, 1995, at Grady Memorial Hospital.

Mr. Carroll was born April 12, 1927, in Printer, Ky. to the late Andrew J. and Fannie Carroll. He was a 40-year resident of the area and was retired as a machinist at Rockwell International.

He is survived by his former wife, Pearl Carroll of Florida; sons, Carmel Jr. of Ashley, Michael of Delaware and William Wayne Carroll of Florida; daughters, Mary McDaniel, Yvonne Cancio, Michelle Whaley and Cora Estelle; all in Sunbury; Cathy McLeod of Rock Island, Ill.; 26 grandchildren and 11 great-grandchildren; brothers, Raymond of New London, Ray of Warren, Mich., Orville and Mart of Clyde, and twin brother Carmen of Harold, Ky.; sisters, Verlie Johnson of Harold, Ky., Vernie Robinson of Waverly, and Verdie Huffman of Clyde.

Calling hours will include May 3 from 8 p.m. to the DeVore-Snyder Funeral Home in Sunbury, where funeral services will be held May 4 at 1:30 p.m. with the Rev. Paul Kirkman officiating. Burial is in Sunbury Memorial Park.

Contributions may be made to the

Delaware Chapter of the American Cancer Society, 2 W. Winter St., Delaware, Ohio 43015.

Sunbury man Albert Johnson

Albert I. Johnson, 90, of Sunbury, died April 25, 1995, at St. Ann's Hospital in Westerville.

Mr. Johnson was a retired meat cutter and a member of Sunbury Church of Christ, Woodmen of the World Lodge No. 1, and the Blenden and Main senior citizens group in Westerville.

He is survived by his wife Geneva Nutt Johnson; daughters and sons-in-law Lucille and John Wolfe of Florida, Celia and John Smith of Logan, Vida Barchus of Fremont, Ind., and Amelia and Bob Schell of Fremont, Ohio; a son and daughter-in-law Charles and Nina Johnson of Columbus; step daughter and her husband, Linda and Don Williamson of Sunbury; 19 grandchildren, 30 great-grandchildren and eight great-great-grandchildren; a sister, Dorothy Lloyd of Columbus; brothers, Aaron of Orient and John of Columbus; and several nieces and nephews. He was preceded in death by his first wife, Amelia, an infant son Albert II, and three sisters.

Funeral services were held April 28 at Graulich & Son Funeral

Home in Columbus, with the Rev. Joe Biffen officiating. Burial is in the Green Lawn Cemetery.

Memorial contributions may be made to the American Heart Association, 100 Cottswold Drive, Delaware.

Kilbourne area farmer Jay Skinner

Jay M. Skinner, 75, of Delaware, died unexpectedly April 25, 1995, near his home.

He was born April 23, 1920, in Ross County to Glenn B. Skinner and Marie E. (Miller) Skinner.

The retired farmer and World War II Army veteran served as a Ranger in the 36th Division 142nd Infantry Co. G and received several bronze stars. He was a member of Kilbourne United Methodist Church, served on many committees of the church in many capacities, and had a hand in the church's construction.

Formerly president of Delaware County Farm Bureau, Mr. Skinner was supervisor of the Delaware Soil and Water Conservation District and was a member of the State of Ohio Soil and Water Conservation Service. He was a former board member for Grady Memorial Hospital, and formerly served on the board of di-

rectors for the Delaware Farmers Exchange and the Ohio Farmers Co-op at Fostoria, and was a member of Big Run Farm Bureau Council.

Mr. Skinner was a former member of the board of directors at Delaware County Bank, and served as Brown Township trustee and as a committeeman for Delaware County Republican Party. He helped originate Tri-Township Fire Department. He was an original board member of Delco. Water, a member of Hallinger Association of North America, recipient of the Master Farmer Award, presented in March by the governor of Ohio.

Surviving are his wife, Alda; his son and daughter-in-law, Gary and Carolyn of Delaware; his daughter and son-in-law, Pamela and James Smith of Sunbury; four grandsons, Darin and Brian Skinner and Drew and Jay Smith; two brothers, George of Clarkburg and John of Atlanta, Ohio; and a sister, Jane Osborn of Granville.

Funeral services were held April 29, 1995 at Kilbourne UMC. Burial, with military honors by Delaware County Veterans Association, was in Greenwood Cemetery. Bennett-Brown Funeral Home handled arrangements.

Contributions may be made to the memorial fund at Kilbourne UMC or to Tri-Township Fire Department.

BWMS Super Star Eagles

Big Walnut Middle School has named its Super Star Eagles for March. The pupils were selected by teachers for leadership, good behavior and grades, and good citizenship.

Sixth-grade Super Star Eagles, pictured in picture at top left, are, from left, Amarah Hicks, Kelly Kus, Jill Davis, Kristen St. Jean, middle row from left, Teresa Mahoney, Erika Whalley, Jamie VonVile, and Adam Paisie; and back row from left, Kristin Keppler, Kevin Roche, son McClary, Zac Orr, and Jansen Day.

Seventh-grade Super Star Eagles, pictured in picture at top right, are, from left, Shanna Stanley,

April Muschott, Tony Scaffidi, and Stephanie Wickham; and back row from left, Brian Whittier, Ruth Boehler, Dacie West, and Amanda Martin.

Eighth-grade Super Star Eagles, pictured in picture at right, are, from left, Erika Whalley, Kristin Keppler, and Adam Paisie; and back row from left, Kristin Keppler, Kevin Roche, son McClary, Zac Orr, and Jansen Day.

The pupils were honored with a pizza party April 28.

Donovan's Pub OK'd by Galena zoning panel

By Kriss K. Jenny-Case

Donovan's Pub got the green light from Galena's Zoning and Planning Commission at its meeting May 1. Owner Dale Donovan presented development plans to the commission for its approval of the restaurant, located at 23-31 W. Columbus St.

Donovan said he and his wife, Patti, plan to open the 90-seat, 2,840 square-foot restaurant in June. Restaurant hours will be from 10 a.m. to midnight seven days a week.

The plans raised two points of discussion. The first was availability of parking, and the second was whether the village's sewer plant would be in commission by the time the restaurant opens.

Dick Laudick, who resides at 45 S. Walnut St., around the corner from the restaurant, asked whether Donovan would build a parking lot in back of the building. "I'm concerned about cars being parked back there and the coming and goings of patrons," he said. "I'm also concerned about the drainage [from the parking lot] because I live at least five feet downhill."

"But don't get me wrong, I want to welcome you and I'm glad you're here," Laudick told

Donovan.

Donovan said he has no immediate plans for parking behind the building, although sometime in the future, he may present plans for one to be used by restaurant employees. He said they expect to employ about 10 people.

"If I put a parking lot there, we'll address the drainage issue," he said, adding that the lot most likely would be covered by gravel and not blacktopped.

In the meantime, Donovan said in his plans the village square just as the previous owners did for their patrons. That opened another avenue for discussion when Commission Member Tom Hopper pointed out that there had been parking problems on the square when the previous owners first opened their restaurant, the former Pub at Smuggler's Cove.

"If people used their heads when they were parking, it was fine, but when some joker starts parking the wrong way, then..." he said.

Commission members voted to pass on the recommendation to village council to address the issue of parking on the square — possibly painting lines to provide spaces.

While the Donovans are doing maintenance to

the buildings to bring them up to code, they may also have to pay to be among the first to hook up to the village's new sewer plant. Donovan said he would rather connect to the new sewer system than maintain the present septic system.

"It makes no sense to connect into the septic system, and then turn around and connect into the village sewer system," he said.

Mayor Ron Lehman said he has been told that the plant will be ready sometime this month, but contractors' bids have just been opened on individual hook-ups to the sewer lines that were laid last summer. "I don't know the time frame on how long it would take [to get the system hooked up to the plant]," Lehman told Donovan.

"We'll pay our own plumber to connect us into it, rather than wait for the village to do it," said Donovan. "That's no problem."

In other business, Zoning Inspector Dale Roof told the commission that he has received a zoning permit request from Stan Swisher, 460 N. Walnut St., to build a garage. Hopper also handed commission members copies of revisions to the new zoning code, which went into effect April 19. The revisions will be discussed at the commission's next meeting on June 5.

Library's frog contest winners announced

Carol Goodrich and Jake Williams were winners in the Community Library's "Become a Prince/Princess" contest during National Library Week. Wendy's, co-sponsor of the contest with the library, awarded each winner in the frog contest passes for free meals at the restaurant.

To compete, library users guessed which of the hundreds of frogs on display in the library was magic. The frogs were from the collection of Sue Eystone.

Goodrich guessed the correct frog, the one telling a story to a turtle. She won the adult prize, passes for 12 single combo meals at Wendy's.

Jake Williams, age 8, was drawn from the participating children under 12 years who identified the right frog. None of the children had the right frog. Williams became a prince with 12 passes for Kids Meals at Wendy's.

"It was lots of fun and definitely something we will do again. Read-

It," said Polly Horn, library director.

For information about contest results, call the library at 965-3901 during regular hours: Monday - Thursday, 10 a.m. - 8 p.m., and 10 a.m. - 5 p.m. on Saturday.

Caution urged for farm equipment on roads

With the advent of spring, people want to be out and about, enjoying the change in seasons.

This means there will be more traffic on the roads, including slow-moving agricultural equipment as farmers prepare fields and plant crops.

Tim Barnes, Delaware County Farm Bureau president, asks county residents to use cooperation and patience when sharing the road with farmers.

"Watch out for the orange and red, triangular slow moving vehicle signs on agricultural equipment," he said.

"Vehicles displaying this sign are moving less than 25 miles an hour. Please use extra caution when approaching, following, or passing farm equipment."

Motorists are cautioned to drive defensively and watch for unexpected turns or stops, he said. Flashers and turn signals on tractors and other farm equipment operate differently than turn signals and brake lights on cars and trucks — they continually flash except when the driver pushes the turn indicator for a left turn, the left amber flasher continues to flash while the right amber flasher stops

flashing until the turn is complete.

Barnes also asked farmers to be considerate and careful, choosing times when traffic is light to operate equipment on the highways and giving other vehicles plenty of time and distance to react when pulling out of driveways and side roads.

"Remember the 10-second, quarter-mile rule," he said. "It will take you at least 10 to 12 seconds to drive your tractor and wagon or implement completely across the road or onto the road from a standstill. In that period of time, a car traveling 55 miles per hour will go nearly a quar-

ter of a mile."

On the road, farmers should always be on guard, keeping track of traffic on all sides, he added. Drivers of farm equipment should always signal turns and watch for cars trying to pass before making a left turn. It also is important for farmers to replace damaged or faded SMV signs to ensure their vehicles are well-marked. Replacements may be obtained at the county Farm Bureau office, 224 E. William St.

Kingston area events

By Joyce Seitz

We express our sympathy to Alda Skinner, Gary and family and Pam and family at this time of the accidental death of Jay.

A correction in my news column last week: The new Kearns baby's name should have been Brendon. It was a spelling error.

I'm glad to hear Richard Shively is home and doing well following a catheterization last Friday morning. Mr. and Mrs. Paul Parker had a daughter born in Riverside Methodist Hospital in Columbus last Friday. Cindy is having some problems, but I understand the baby, Sally Elizabeth, is doing fine.

Mr. and Mrs. Kenneth Mackley, Mr. and Mrs. Robert Seitz and Mr. and Mrs. Glenn Hale enjoyed dinner out on Saturday evening and returned to the Mackleys for dessert.

Mary Lou Mackley was one of the callers of Sue Godshall on Friday. Nora Daily had outpatient surgery Monday.

I guess people are staying home and doing yard work now. Congratulations to Doug and Anita Miller on the birth of their son on Saturday morning. Grandparents are Paul H. and Kay Miller. This is their first grandchild.

BW gets federal funds for disabled

Big Walnut Schools has received notification of its annual monies for Federal VI-B flow through, which will be \$96,960. These funds must be spent on the education of handicapped children. Anyone with suggestions for the allocation or development of these budgeted funds should contact John Griffin, supervisor special education, at 965-3010.

Correction

The April 27 News article about foreign language honoraries at Big Walnut High School should have included student Bree Stites as an inductee into the Spanish language honorary society, San Martin Chapter de la Sociedad Honoraria Hispanica. Incomplete information was submitted to The News.

Also, two student inductees were misidentified, Jill Ceneskie and Cody Clemmons. The News regrets the errors.

Help your child avoid sports burnout

By Joyce K. Fittro
County Extension Agent

Today, more than ever, younger and younger children are participating in one or more organized sports, such as soccer, baseball, football, swimming or gymnastics.

Along with these growing numbers is a growing number of physicians, parents and youth coaches who are concerned about the impact that overly competitive sports can have on the developing child.

Studies of young athletes suggest that those who are constantly pushed by parents and coaches run the risk of developing sport burnout — a total loss of interest in sports caused by highly stressed competition.

Symptoms of sports burnout

might show signs of agitation, such as sleep disturbance, skin rashes, nausea, headaches, and muscle tension. Some children show signs of depression, such as a lack of energy, sadness, frequent illness and a loss of interest in competition.

Another associated danger for the young athlete under constant stress to perform is the increased susceptibility to injury. In fact, some children may view injury as a socially acceptable way to avoid the pressure altogether.

Parents can help their young athletes develop a healthy, life-long interest in sports by taking off the pressure to excel. The following suggestions can help.

1. Take a positive approach. Praise children for the positive aspects of their performance. Children are much more likely to enjoy sports if they feel they meet their parents' expectations.

2. Focus on the game, not the score. Be sincere when you tell your child, "Winning isn't everything." Focus on your child's developing skills and not the end score. You may be surprised to find that although your child's team lost every game, your child learned to run faster and throw farther.

3. Match your child to the sport. Take the time to match your child's temperament and interest to the right sport. Maybe golf or running is a more suitable sport.

4. Have realistic expectations. Don't expect an Olympic champion; very few children reach this level of

performance. Rather, use sports as a way to teach limits and strengths, goals and the importance of sports as a means of relaxation.

5. Make the sport equal to your child's skills. Avoid sport programs that operate by adult rules. Quality programs should take into account the developing child by making playing fields smaller, keeping goals lower, and developing rules that are at the level of that child's developmental stage.

6. Play with your child. It is not enough just to attend games. Play with, but do not compete with, your child. Biking, hiking and catch are a few recreation alternatives to competitive sports that provide opportunities for the family to play together.

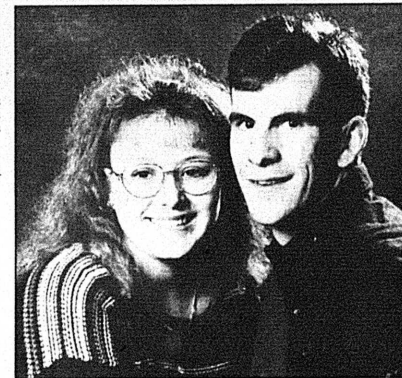

7. Know when to provide competition. A general rule of thumb is that intense competition in sports should not begin until adolescence. Until then, competition should be low-key and fun. Each child reaches adolescence at different points. As a

parent, you need to be able to assess your child's physical growth, emotional and mental maturity when deciding to allow them to join.

8. Provide a variety of sports. Growing bodies need to develop a range of skills. Providing children with a sampling of sport activities will help to round-out their physical, social and mental development. There is always time for specialization later in adolescence.

9. Don't play through your child. Do not use your child to relieve your own athletic goals. Rather, encourage your children to set their own sporting goals.

10. Be a positive role model. When watching sports or playing them yourself, make positive comments about a player's skill and learn to accept the call. Whether good or bad, someone has to call it. Petty criticism weakens a strong character and reduces respect for each other.

June 24 wedding planned

Pamela Spreng of Loudonville and Larry Dixon of Sunbury announce the engagement of their daughter, Tracy Dixon, to Jack Burgess Jr. He is the son of Jack and Karen Burgess of Loudonville. Dixon graduated from Loudonville High School and is a junior at Ashland University, majoring in business administration. The groom-to-be graduated from Loudonville High School in 1991 and is employed at Burgess Hears and Ambulance Sales. The couple plans a June 24 wedding at the United Methodist Church in Loudonville.

Private Industry Council to hold medical job fair Saturday

The Delaware Private Industry Council will hold a Professional Nursing/Medical Job Fair at Grady Memorial Hospital this Saturday from 9 a.m. - noon.

In June the workplace often sees an influx of graduates within all aspects of the medical field. This job fair will bring area employers together with prospective employees.

Nursing opportunities include short term/long term care, clinical, sub acute, hospital, hospice and home health field.

In addition, participating employers

are seeking candidates for radiology, respiratory, laboratory, dietary technicians, medical, dental and home health care assistants; and support personnel, such as social workers, activities directors, office/receptionist support and maintenance.

Representatives from various schools will also be available to provide information on medical careers. For more information, call Rhonda Leasure at CORC Job Training, 614-369-7647 or Mona Reilly at JOBS, 614-368-1990.

Stay in touch with proposed changes to Medicare program

OK, Seniors, we must now be on the alert — again! I recently read that there are two leaders that envision big "cuts" in Medicare to balance the budget.

Yes, this would mean that the monthly premium, now \$46.10, could be raised. This is the amount deducted from your Social Security check monthly. There could be quite a restructuring of Medicare.

I know from experience that as it now stands, their insurance can surely help in time of need.

Be sure to contact your representative to explain these proposed changes — then discuss them with your "helpful and trustworthy" insurance agent so you know the consequences. Then report your decision and findings to your representative and send a copy to Bob Dole, majority leader, and to Finance Committee Chairman Bob Packwood of Oregon.

As I've said before, Seniors — we CAN make a difference!

CENTENARIANS HAVE LOTS OF COMPANY

Have you noted that turning 100 years of age "ain't" what it used to be? According to a recent

Silver Moments

By Annabelle Banning

study, there will be 100,000 centenarians by the year 2000, it is estimated.

I noted that Willard Scott on TV gets about 200 letters a week seeking recognition on his "Today" show! Will, they have to consider 110 or even 120 years — soon? Remember, healthier people are living longer.

So — take care of yourselves!

ESTABLISH BANK

ACCOUNTS

With the month of May comes a reminder of the many birthdays this month in our family. This also reminds me of the pleasures a very dear friend got in seeing the beauty of spring in the trees and flowers. May I quote from her: Christians have power to transform the world, if they only believe it.

"A recent popular song says, 'You've got to stand for something or you'll fall for anything'."

"I press on" is the language of a purpose. Paul's purpose was to make Christ known. It is fatal for us to settle down and be satisfied with the fact that we have made a profession of faith in Christ and have become a member of the church.

"Remember the little boy who fell out of bed? When asked how it

happened, he said, 'I guess I stayed too near the place where I got in.' Many of us (Christians) stay too near the place where we got in! We need to realize spiritual possibilities and a desire to develop and grow.

"We need to establish 'bank accounts' from the Bible and then pull from these bank accounts by putting them into practice."

We must not be side-tracked, but "Stand up and press on; see the beauty in others," said the late Lockie Norman of Sunbury.

A RECIPE FROM

DEPRESSION DAY'S

Simmer kraut for a long time to tenderize it. Make the following soup:

SPLIT PEA SOUP

Cook yellow split peas to a rich creamy sauce. If you wish, add a touch of sugar.

Place a mound of sauerkraut on each plate.

Smother with thick split pea

Events planned to honor Nursing Home Week

The residents and staff of Sunbury Nursing Home, 144 N. Columbus St., invite the community to join in their May festivities in celebration of National Nursing Home Week. Social Director Linda Kahler will coordinate the following events:

- May 4, 7 p.m., Volunteer Recognition Night, Sunbury United Methodist Church fellowship hall;
- May 9, 7 p.m., Suzy Q's Cloggers;
- May 11, 4 p.m., folk dancing by local students;
- May 13, 2:30 p.m., The Gospel Crusaders will perform;
- May 14, 7 p.m., Mother's Day ice cream social, with David Martin entertaining;
- May 17, noon potluck at the Nettlehorst's woods on Fredricks Road;
- May 18, 2:30 p.m., Columbus Zoo representative will visit with interesting critters;
- May 22, 7 p.m., Hartman Family will provide musical entertainment; and
- May 24, 2:30 p.m., Jeanette Curren will share her dolls from around the world.

For more information about any of these events, call Kahler at 965-4915.

SN/Susan Wright

Pizza party

Children at Child Care Unlimited enjoyed a pizza luncheon last week, one of many events planned by the staff in celebration of the

Week of the Young Child. Special guest at the luncheon was Mike Shade, candidate for Delaware Municipal Court judge.

125-year-old house destroyed

The BST&G Fire Department used a 125-year-old house in the Vans Valley area for training practice on April 15.

The Lyman A. Linnabary family home at 408 Ohio 6055 had recently deteriorated to the point that family members Bob and Don Linnabary and Maxine Longshore

decided the structure would need to be removed. The house was the birthplace of Maxine Longshore. The family expressed its appreciation to the fire department, and to Gene Hogg, for their assistance in burning the structure and thereby closing out this chapter of their family's history.

Dawes Arboretum sets May activities

Dawes Arboretum on Ohio 13 south of Newark will sponsor the following special activities this month:

- Hanging Basket Workshop, May 13, 9 - 10 a.m. or 10:30 - 11:30 a.m.; fee \$12 (\$10 members); reservations required.
- Fishing Clinic, May 13, noon -

4 p.m.; equipment provided or bring your own; fee \$3 (\$2 members); registration required.

• History of The Dawes Arboretum, May 16, 7 - 8:30 p.m.; fee \$3 (\$2 members); registration required.

For information or registration, call 1-800-44-DAWES.

This is from the '20s and was quite filling. Enjoy the beautiful month of MAY!

- Worshipping Community whose goal is to honor the Lord by giving Him His rightful place.
- Teaching Community where the implications of the gospel are shared.
- Redemptive Community where persons are reconciled to God and each other.
- Loving Community seeking to live out the claims of Christ, and minister His forgiving love to all.
- Evangelizing Community where each person is equipped and challenged to discover God's role for them in world evangelism.

Police reports

SUNBURY POLICE

An estimated \$1,200 worth of hand tools were stolen from a van parked across from 62 E. Cherry between 5 p.m. April 26 and 7:30 a.m. April 27. The perpetrator broke the vent window to gain entry into the car, the police report states.

A stereo system was stolen from a car parked at Fine Finishing Auto Body, 30 S. Vernon St., and another car was entered. The incidents are believed to have occurred prior to midnight on April 30, but reported to Sunbury Police the next morning. There was no loss estimated on the stereo.

Sunbury Police responded to Fox Trail Drive April 26 at 1:59 a.m., when a woman reported that a trampoline had been moved from her yard to a nearby yard. People at a party on Chipmunk Lane later admitted moving the trampoline. The police report states narcotics are believed to have been at the party.

Two Big Walnut High School students ran away from school on April 28 about 10:05 a.m. after being caught outside by a teacher. The teacher found suspected drug paraphernalia and a strong odor of marijuana at the site. The students are an 18-year-old boy and a 15-year-old girl.

GALENA POLICE

Galena Police Officer Jack Daniels arrested, then unarrested a 17-year-old boy for driving a stolen car after the boy's father showed a valid title to the car.

Daniels observed the car driving left of center in the village about 8:30 p.m. on April 20. In the process of issuing a citation for the driving violation, Daniels learned

from the county police radio dispatcher that the car was reported stolen from Westlake, Ohio.

The boy was taken to the police department and told police that his father had purchased the car. The father, who lives on Walnut Avenue, south of Galea, arrived at the station and produced the title and copies of the last two registrations.

Galena Police Chief Mike Decker said Westlake Police later said the car had been stolen, recovered, and stolen again.

Two Westerville boys and one boy from Columbus were stopped April 22 in Galea after a stop sign violation and a report from another motorist that the boys had thrown eggs at his car. Upon inspection, Galea Police Chief Decker found suspected marijuana and drug paraphernalia in the car.

The boys were released to their parents. All three subjects tested negative for alcohol or drug use. Charges against the group are pending in Westerville for similar egg-throwing incidents earlier that day.

GENOA POLICE

A Big Walnut Road resident shot a dog belonging to his neighbor that had been coming into his yard. The incident occurred April 27. A dog belonging to Richard Cooperider, 5514 Worthington Road, Galea, had occasionally gotten past an electric fence on his property and entered the yard of Christopher Beltram, 6090 Big Walnut Road.

Police found the dog dead about 10 feet into Beltram's property. Beltram admitted he shot the dog. He said the dog had come onto his property and threatened his wife and children. Beltram said he contacted the Delaware County Dog Warden, the Genoa Township Police

Department and the Delaware County Sheriff's Office, but the problem was not stopped.

Cooperider told police the dog was not harmful to people. Delaware Municipal Court prosecutor is deciding whether to bring charges in the case.

A Lake Trail Drive resident reported that \$1,600 in golf equipment was stolen from her garage area on April 26. A resident of the home at 6392 Lake Trail Dr., told police the items, including five Wilson graphite clubs, were taken between 1 and 3 p.m.

A Westerville man was clocked at over 100 mph as he fled from police on a motorcycle on Old 3C Highway on April 24. John K. Scott, 21, was cited for speeding, running a stop sign, passing at an intersection, and fleeing.

Police said police officer T.C. Farrell observed Scott as he stopped on Big Walnut Road at Old 3C Highway. Scott then turned south on Old 3C and accelerated. Farrell reported he measured Scott's speed at one point at 103 mph using radar in his car. According to police, Scott ran a stop sign at Ohio 3, nearly causing several accidents. Police said when he reached Maxtown

Road he began to lose control, causing him to slow down. Officer Farrell caught up with Scott at this point, and Scott stopped and complied with orders to be taken into custody.

WIN A

BANKROLL

The Cash Giveaway Designed
with the Consumer In Mind

All Award Money Advertised is Guaranteed to be Given Away
at This Store. No Game Tickets to Save -
You're Qualified with One Weekly Visit
to our Store to Validate Your Card.
Our Bankroll Free Cash is Not Divided Up with Other Stores.

FIRST
FREE
CASH
AWARD
\$1000

We Will Add \$100 Each Week
Until the Bankroll is Won! Then We Start All Over Again
With a \$300 Bankroll.

First Bankroll Drawing: Saturday, May 6 at 4 P.M.

Yes shoppers, starting this Saturday, and continuing weekly, each participating store will be offering some lucky patron a chance to win a Free Cash Bonus. You may already be registered to win one of our new weekly "Bankroll" Free Cash Drawings.

You may play and win in any or all of the participating Bankroll stores. However, you must be registered at each store, and must have a separate Bankroll Card punched for each store each week. You must have a card punched in the store where your name is drawn in order to win that store's Bankroll.

Easy to Play & Win!
1. Only adults may register. Only 1 registration per household.
2. Each adult household is entitled to have their own free Bankroll punch card.
3. Once each week you must have your Bankroll card punched in the participating store to be eligible to win that week's Bankroll.
4. Each week, one name will be drawn from the Bankroll drum. If any adult member of that household has had their card punched that week in the store where their name was drawn, it's a winner!
5. There is no purchase necessary to play or win the Bankroll and you need not be present to win.

Special Bankroll Registration

If you are the head of household and didn't receive your Bankroll card in the mail this week - come in to our store to register and receive your free punch card in time for our first week's drawing.

Lawn, electronic equipment stolen from garden center

The Genoa Township Police are investigating the theft of \$1,440 in lawn equipment and \$567 in electronic equipment from the Westerville Lawn and Garden Center early on April 28.

Police said thieves broke through the front door of the store, located at 5964 S. Old 3-C Highway, by prying locks with a large pry bar. They took three trimmers, a chain saw, a power blower, and hedge clippers, all made by Echo. Their value was estimated at \$1,440 based on retail prices.

The electronic equipment was owned by store owner Pat Green. Also, two cash registers were opened and \$80 in cash was re-

moved. The theft occurred between 4:30 a.m. and 8 a.m.

Police Chief Bill Webb said there are no suspects.

"We canvassed the area," he said. "We were unable to come up with any suspects."

"We got two or three (good) fingerprints for comparison purposes," said Webb. He said the police department will ask the Columbus Police Department to check the fingerprints against prints of people it has arrested. The fingerprints will also be checked against a statewide file of fingerprints, Webb said.

Webb said anyone who is approached about buying Echo equipment should call the police.

CELEBRATE

NATIONAL HOSPITAL
WEEK
May 7 - 13, 1995

In celebration of National Hospital Week and our ongoing Commitment to Excellence, we would like to invite you and your family to attend our Open House. See our newest facilities and renovated areas. Receive free blood pressure screenings or view a "mock" total joint replacement in our newest operating room. Enjoy a self-guided tour as hospital staff and volunteers will be on hand to answer questions.

We will have refreshments, door prizes and Grady Bear will make a special appearance to delight your children.

Please join us and help make our celebration complete.

Lady Eagles Focus on BAC After Tourney Loss

By Steve Kesler

Big Walnut's girls softball team rallied from an early deficit for a 3-2 victory over Olentangy at the high school Monday afternoon.

The Eagles scored all of their runs during the second through fourth innings in raising their record to 10-3 in the Buckeye Athletic Conference East Division.

Abby Kelley totaled the first run in the second frame on an error after reaching on catcher interference. Alicia Harter sacrificed in Julie Thompson in the third after Thompson singled and then stole second and third.

Kelley crossed the plate again in the fourth on an error by the shortstop. She earlier reached on a hit between second and short, stole second and advanced to third on Jamie Sumner's fielder's choice.

Following a shaky first inning, April Smith allowed no runs the remaining distance and gave up two hits the entire contest. She closed with 15 strikeouts and five walks.

She got out of a seventh inning jam with runners at second and third by fanning the next two batters. "April was sharp tonight," said Coach Bill Richardson.

Thompson was the leading hitter in going 2-3 with a run and three steals. Backing up were Amy Kern (1-2, steal); Kelley (1-2, two runs, two steals); Harter (two sacrifices, RBI) and Carla Dority (RBI).

Four errors and two walks helped Harter to an 8-3 Division II Sectional opening win over the Eagles at the

high school Tuesday.

BW, leading 2-1 at the time, surrendered seven runs on the miscues and free passes in the fourth inning.

Thompson was 3-4 with a triple and steal. Kelly Wolfe went 1-2 with a run.

Smith hurled the complete seven inning route with nine strikeouts and four walks.

Propelled by the long ball and three extra base hits, BW rolled past Bentley 19-6 in BAC road action last Friday afternoon.

Laura Fichtelman slugged two homers, her third and fourth of the spring, and finished 3-3 with four runs and five RBI. She smacked one in the first inning with two on and the other in the third with one aboard.

Koren helped out with a 2-3 showing with a triple, two runs and two RBI. Wolfe was 3-4 with a double, two runs and an RBI and Molly Greene, in her first varsity game, went 1-1 with a double, run and two RBI. Supporting the cause were

Summer (2-4, two runs); Stacy Longshore (1-2, run, RBI); Bekki Singer (1-3, run, RBI); Thompson (1-3, run, RBI); Bree Stites (1-3, run, two RBI) and Molly Boucher (run). Longshore, Amanda Bennett and Jodi Grandinovich were also seeing their first varsity competition.

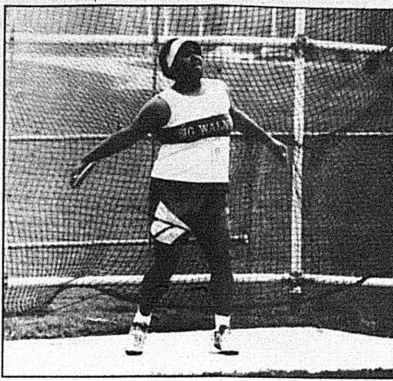

Smith handcuffed the Lions with seven hits and no runs over the final four innings. She finished with five strikeouts and the same number of walks.

Utica used a walk and two errors in the ninth inning to squeak out a 6-5 verdict over the Eagles in a BAC road game on Wednesday, Apr. 26.

"They battled back and we didn't finish them off," stated Coach Richardson, whose team was ahead 5-3 at one point in the encounter.

Leading batters were Harter (3-4, triple, double, run, three RBI, steal); Thompson (1-2, triple, run); Akers (1-4, double, RBI); Fichtelman (1-4, double, run); Kelley (1-4, RBI); Dority (run, steal) and Koren (run). BW turned a double play to get out of the eighth inning. The sequence went from Singer to Koren covering first to Sumner at third.

Smith went the complete pitching distance with nine strikeouts and 11 walks.

ALAYNA HICKS WINS THE DISCUS AT OLENTANGY

JOSH LEHMAN/IN SPORTS

Tennis Opens BAC Saturday

By Steve Kesler

Big Walnut's boys tennis team will participate in the Buckeye Athletic Conference tournament this weekend.

Coach Mark Predieri's troops travel to Bexley Saturday for the 9:00 a.m. event. BW has one non-league encounter, at Marysville this afternoon (Thursday), prior to the league match.

The Eagles made the long house and came back with a 4-1 BAC loss last Friday afternoon.

Ben Kerns was the victor on the No. 2 singles court, downing Cory Kelley in straight 6-2 sets.

Both doubles squads went to three sets before losing. Jason Schermerhorn and Charles Nowicki fell 6-3, 7-6 (7-4 in the tiebreaker) to J.T. Warner-Nick Engle at No. 1 and Andy Kerr-Steve McDonough were tripped 1-6, 6-3, 6-0 by Tim Eberfield-Chris Picarati at No. 2.

The two remaining singles didn't fare much better. Ben Shaffer lost 7-5, 6-3 to Paul Tetter at No. 1 and Jared Bright went down by consecutive 6-1 scores.

"Kerns had a real solid match; he had a tough opponent and beat him soundly," said Coach Predieri. "I felt good about how Bright played for his first varsity match."

Westerville North was the "stronger team" in posting a 4-1 verdict over the visiting Eagles on Wednesday, Apr. 26.

Kerns triumphed once again, this time dumping Adam Just 6-4, 6-2 in second singles. "He had a very good comeback and win after being behind 4-3 in the first set," added Coach Predieri.

Suffering setbacks were Shaffer (6-0, 6-0 against Rocky McCorkle at first singles); Jeff Meyer (6-0, 6-0 against Craig Brandenburg at third singles); Schermerhorn-Nowicki (6-0, 6-2 to Rod Miller-West Bishop at first doubles) and Kerr-McDonough (6-1, 6-1 to Joe Anderson-Brett Spencer at second doubles).

In exhibitions, David Gentile lost 6-1, 6-1 to Mark Feidle and Bright and Justin Wood were tripped 9-8, 6-2 by Mike Darnier-Terry Wilhelm.

BW dropped a 5-0 decision against Hayes at Delaware on Monday, Apr. 24.

Schermerhorn-Nowicki battled in a tie-breaker at first doubles before losing 7-6 (8-6), 6-3 to Gabe Elias-Justin Ristau. Kerr-McDonough lost 6-4, 6-1 at second doubles to Ken Kiss-Chris Grote.

Shaffer went down 6-0, 6-4 at first singles to Josh Shade. Kerns lost 6-4, 6-0 at second singles to Shane Heald and Meyer fell 7-5, 6-1 to Nate Hesselhart at third singles.

The Eagles went to 7-8 overall and 3-2 in the BAC regular season with a 5-0 loss at Bexley Tuesday.

"I felt the guys played pretty well," said Coach Predieri. "They didn't seem intimidated like in years past."

Kerr-Nowicki fell 6-1, 6-0 to Justin Sher-Alex Tsionis at first doubles and McDonough-Schermerhorn lost 6-0, 6-0 to Brian and Daren Quintenz at No. 2.

In singles, Shaffer lost 6-0, 6-0 to Brent Lehtrig at No. 1, Kerns was tripped 6-1, 6-0 by Cole Newman at No. 2 and Meyer lost 6-2, 6-0 to Andy Callif at No. 3.

Heckler, Hicks, Mile Relay Win Tangy Titles

By Steve Kesler

Big Walnut's girls track team won two individual and one team first in the Olentangy Invitational last Friday afternoon.

Stephanie Heckler swept to championship honors in both hurdle events, Alayna Hicks was the top discus thrower and the mile relay team outdistanced the field as the Eagles finished second with 114 points.

"Consistent team scoring was the key to us doing so well; we scored in all but two events," noted Coach Joe Everet. "We are continuing to improve every week and are beginning to see our times go down as we start to prepare for the league and District."

Heckler tied the meet record in the 100 hurdles by leaping the wooden barriers in 16.8 seconds and completed the sweep with a 50.0 time in the 300 race. She has now vaulted to fourth all-time on the hurdle double records list.

Hicks stepped to the winner's circle as well in the discus. She tossed the platter 106-feet, 1-inch to claim the gold medal prize.

The mile relay of Jackie Hoerath, Stephanie Rigby, Robyn Owen and Heckler used "a very exciting race" in earning a place at the top of the victory stand.

BW held a two-point team lead over Logan Elm going into the race and needed a win in the event for runner-up honors. The mile group didn't disappoint, speeding around to a season-best four minutes, 25.8 second performance.

Seconds: Shari White, high jump (4-8); Heather Moore, long jump (14-3/4); Jackie Hoerath, mile (5:58.8); Amy Martin, 300 hurdles (51.2); Jackie Hoerath, half-mile (2:37).

Thirds: Jackie Hoerath, mile (6:00); the two-mile relay of the Hoeraths, Rigby and Maria Lynch (10:51.2).

Fourth: Hicks, discus (87-0). Those participating but not placing were Morris, shot (27-3), discus (82-8) and high jump (4-2); Bednar, shot (25-11); discus (57-1) and 100-dash (14:6); Kruster-Glockner, shot (24-2); discus (75-2) and long jump (12-10);

Martin, 100-dash (14.3); Rigby, mile (6:18) and half (2:45.3); Owen, quarter (74.3); Isiah Hsieh, quarter (80.2); Moore, 200-dash (30.2); McPherson, Schoonover, Moore and Rachel Snapp (2:01.0).

Fifths: Moore, 100 hurdles (18.5); Jackie Hoerath, two-mile run (13:46.5).

(13:55.3). Sixth: White, long jump (13-1 3/4); Rigby, two-mile run (13:55.6).

It was a gutsy performance by Stephanie," added Coach Everet. "She completed the two-mile jaunt and then ran the third leg of the mile relay." The events are back-to-back.

Those not placing were Emily Morris, shot (27-5 1/2), discus (75-0) and high jump (4-4); McPherson, 100-dash (13.8 prelim); Bednar, 100-dash (14.5); Owen, quarter (69.8); Lynch, half (2:46); Snapp, 200-dash (31.5); (31.5 prelim); Schoonover, 200-dash (31.6 prelim).

The host Braves won with 161 points. After BW were Logan Elm (105 1/2), Bloom-Carroll (63 1/2), Lakewood (37) and Buckeye Valley (8).

In last week's triangular meet, Amy Arnold's first in the 100 hurdles moved her to fourth on the all-time list while Heckler's second place time of 16.7 places her at fifth.

Coach Everet also noted Jackie Hoerath competed in back-to-back events, running in the two-mile and then a leg of the winning mile.

Remaining results from that event are listed in the following:

Seconds: Moore, long jump (14-1); Jackie Hoerath, mile (6:04.5); Arnold, 300 hurdles (54.1); Jackie Hoerath, half (2:39.6); the 400-relay of Arnold, Martin, Schoonover and McPherson (55.6); the 800-relay of McPherson, Schoonover, Bednar and Snapp (2:01.9) and the mile relay of Jackie Hoerath, Snapp, Owen and Rigby (4:40.8).

Thirds: Heckler, high jump (4-8); McPherson, 100-dash (14.1); Jackie Hoerath, mile (6:05.8) and two-mile (13:32.6).

Fourth: Hicks, discus (87-0). Those participating but not placing were Morris, shot (27-3), discus (82-8) and high jump (4-2); Bednar, shot (25-11); discus (57-1) and 100-dash (14:6); Kruster-Glockner, shot (24-2); discus (75-2) and long jump (12-10);

Martin, 100-dash (14.3); Rigby, mile (6:18) and half (2:45.3); Owen, quarter (74.3); Isiah Hsieh, quarter (80.2); Moore, 200-dash (30.2); McPherson, Schoonover, Moore and Rachel Snapp (2:01.0).

Fifths: Moore, 100 hurdles (18.5); Jackie Hoerath, two-mile run (13:46.5).

YOUR EYES

by Dr. Brian Dittenber

Keratoconus is a condition in which the shape of the eye interferes with vision. The central portion of the cornea bulges forward, becomes irregular and gets thinner. In mild cases, there will be a slight loss of vision; the loss is greater in more severe cases. Headaches, eye strain and seeing "halos" are common complaints with this condition.

Your optometrist's professional knowledge is vital for proper diagnosis and treatment. The protruding cornea may not be obvious. And bulging eyes may not necessarily indicate keratoconus.

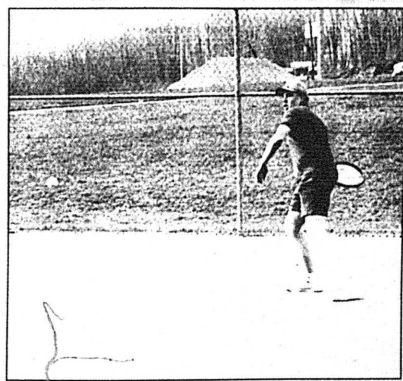

Modern optical technology has created a method to control this condition. Rigid, gas-permeable contact lenses are utilized to exert pressure on the cornea to prevent it from "coning" and thinning further. Indeed, the treatment is sometimes so successful that the need for an eventual corneal transplant may be eliminated. And because the gas-permeable lens allows adequate oxygen to reach the eye, it is more comfortable for patients to wear.

Brought to you as a community service by Dr. Brian A. Dittenber, Optometrist, 50 South Varnon Street, Sunbury, Ohio, 965-4671.

JEFF MEYER DARTS IN FOR THE RETURN

Sit on a Deere and you'll know what the competition has been sitting on.

Nothing compares with sitting on the solid luxury of a John Deere lawn tractor. From our easily lowered mowing deck to our tighter turning radius, everything has been engineered to outperform the competition. Like our exclusive Xenon®

hood that absorbs shocks, rather than being dented by them. Plus a heavier frame that makes our tractors more durable. So stop by your John Deere retailer soon, and take a seat. It won't be long before you decide you'd rather have a Deere.

The LX177 with 38 inch cutting deck and a 15 hp liquid-cooled overhead valve engine.

BW Turns Attention To Post Season Play

By Steve Kesler

Big Walnut's varsity baseball team will now set its sights on the post-season after dropping out of league contention Monday afternoon.

Coach Mike Denton's squad travels to Beechcroft in the opening round of the Division II Sectional on Tuesday, May 9. Game time is 5:00 p.m.

Winner will venture to DeSales for the finals on Friday, May 12. That contest will also start at 5 p.m.

The Eagles fell to Olentangy for the third time this season, twice in the Buckeye Athletic Conference, with an 8-5 decision at the high

school. BW trails the Braves by three games in the BAC with two remaining.

Joe Santunio gave his team a 2-1 lead with his second homer of the spring, a solo blast in the second inning. Nate Thompson's single scored Andy Martin to make it 1-1 in the first inning.

BW knotted the score again, this time at 3-3 in the third, when Martin came home on a Thompson base hit. Martin earlier had singled and stole second.

Tangy scored twice more in the fourth before the host closed within one during the bottom of the frame.

Big Walnut Cage Staff To Hold Camp

Young basketball players seeking to improve their game can sign up for the Big Walnut Camp starting in June. There will be two groups broken down into grades. All instruction will take place June 5-9 at the high school gym.

Students entering grades 4-5-6 will have their session from 8:30 - 11:30 a.m. Those in seven through ten will go from 12:15 - 3:15 p.m. Camp will be under the direction of head coach Ric Cavicchia, assistant Steve Glesenkamp, reserve coach Dan-Tyler, eighth grade coach Bob Falkenberg and former BW players.

Cost of the camp is \$35, which includes a free T-shirt. It is necessary for all campers to have a physical exam by a physician and insurance coverage prior to the start of the event. Campers should dress in shorts, socks, tennis shoes and T-shirt and bring a snack or drink. No money, jewelry or other valuables should be brought to the camp.

Registration forms are available at the elementaries, middle school and high school. For more information, contact Coach Cavicchia at 965-3006.

Pet Health Plus Opens Doors

Pet Health Plus veterinary practice has settled into new quarters and held an open house in April. Located at 4059D U.S. 36E, the practice will be open Mondays from noon to 5 p.m., Tuesdays and Fridays from 9 a.m. to 5 p.m., Thursdays from 10 a.m. to 7 p.m., and Saturdays from 9 a.m. to noon. Wednesdays will be reserved for home visits, because a unique

feature of the practice was, and remains, house calls, says Doreen Feula, D.V.M., shown in the adjoining photo. The practice will be located beside Pet Mania, a pet supply shop operated by Feula's parents, Martha and Ben Feula. Martha Feula also is the receptionist for the vet clinic.

Pet Mania will be open 10 a.m.

to 6 p.m. Tuesday through Saturday and Sunday from 10 a.m. to 5 p.m. The shop will feature canine and feline special diet foods, "pocket pets" (gerbils, hamsters, etc.), and bird supplies.

Pet Health Plus may be reached by phoning 1-369-1922.

"LIFETIME TETH"
In spite of all the dental advances that have been made, more than 33% of adults aged 65 and older have no natural teeth. But for younger generations, tooth loss won't be so common a sign of aging. One reason people are learning more about the value of preventive care, brushing, flossing and regular check-ups. Second, good dental care is increasingly available. To save decayed teeth that otherwise would have been lost, dentists routinely perform root-canal therapy, which is a procedure that involves removing the diseased inner pulp of the tooth, and replacing it with a filling material and sealing the canal. Check with your dentist if you have any questions.

Sex Ed Committee to focus on 4th grade and up

By Susan Wright

Big Walnut's sex education committee will focus on the fourth grade on up, the group decided Monday.

It was the group's first meeting in which members discussed how to proceed with their mission—to identify areas of concern about the sex education program, but not to alter, change, or debate the current health curriculum. The committee hopes to make recommendations to the school board about sex education. It will be up to the school board to take formal action.

Committee chairman Gary Moseley said teachers may be affected by changes which the board may choose to adopt. It's hard to separate the

topic from the process, Moseley said. While teachers are charged with covering the topics in the approved curriculum, there is a large amount of discretion given to teachers on the techniques used.

Two parts of the program offered by outside agencies will undoubtedly be discussed by the committee in future meetings.

The Delaware Health Department offers a program to fourth-graders about puberty. Jan Mewhorter, health department nurse, gave the committee an overview of the program last month. Mewhorter said the program was offered in only two of Big Walnut's three elementary schools last year, and this year, all administrators decided to cancel the program pending the sex ed committee's recommendations.

Karen Martin, instructor at the Delaware JVS, offers middle school students sex education through the three-day RSVP program. The abstinence-based discussions that go along with that program include topics such as birth control, self-esteem, and CC. Monday, committee members brought up issues for further discussion. Those issues included:

- Parent consent for student participation in all sex education programs. And, providing parents with information about what will be taught or discussed with the students.
- Assessment of Big Walnut's program.
- Continuity of the sex education program throughout the district. Some committee members said they

thought the program at the high school, offered to only a few who enroll in the life skills classes, doesn't reach enough students.

• Is the curriculum age appropriate? Moseley asked each committee member to submit to him any other issues the committee ought to discuss. The next meeting is May 15 at 7 p.m. in the Galena buildings. The public is invited to attend, and a time for public participation is offered to ward the end of the meeting session.

Sunbury girl earns spot in Webber musical

A Sunbury sixth-grader will perform in the chorus of a national touring company's production of Andrew Lloyd Webber's "Joseph and the Amazing Technicolor Dreamcoat" at the Palace Theater in Columbus this month.

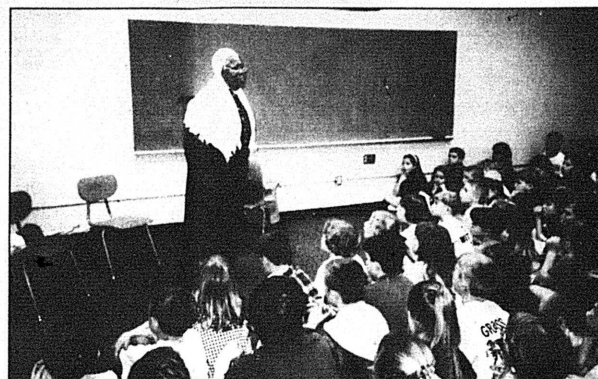

Leslie Griffin, daughter of Rev. Larry and Mary Jane Griffin, 89 E. Cherry St., is a second-year member of the Columbus Symphony Children's Chorus. She will be among 20 chorus members who sing and dance in the production May 9-14.

The Columbus Symphony Children's Chorus was formed in 1987 as a student training program for select young vocalists between the ages of 10 and 16.

Amy Guirich, an eighth-grader at Olentangy Middle School, also will perform in the musical at the Palace.

Leslie

Black history lesson

In March, Big Walnut Elementary pupils were transported back to the days of slavery as they viewed Maria Saunders-Hope's performance as Harriet Tubman. Performing at BWE for the third consecutive year, Mrs. Hope also did a play about Sojourner Truth for approximately 200 students.

Genoa P.D. to promote two officers

By Brian Miller

The Genoa Township Trustees agreed April 26 that some additional leadership is needed in the township police force, which will soon grow to 10 officers. Trustees also moved closer to enacting fines on residents whose security alarms frequently go off unnecessarily.

The trustees agreed to allow Police Chief Bill Webb to promote two officers to sergeant, increasing the number of sergeants on the force to three.

The police force will pick up an additional officer this spring or summer under President Clinton's Crime Bill.

Webb said the additional sergeant will make training of the whole force more efficient. He said he can train the sergeants and have them train the officers, instead of training all the officers himself.

"I am proposing one sergeant per shift," said Webb. "They would have responsibility for officers, dispatchers, and any reserves."

He also said the "supervisory input" would reduce liability risks associated with decisions such as using force or deadly force and whether officers should leave the jurisdiction.

Each promotion will cost the department about \$3,500 per year, according to trustee Pat Blaney.

Webb said officers who have at least three consecutive years of service

vice with the department will be eligible. He said he will choose the new sergeants based on a test and an oral interview.

Regarding false alarm legislation, the trustees heard Webb's support for such a law. The trustees at their April 12 meeting agreed to review ordinances on false alarms that are in effect in other jurisdictions. Blaney said he found the Westerville law too complex and favors a simpler one. He said he supports allowing residents to have four false alarms per year without a penalty.

Webb said he will draw up a proposed ordinance allowing the four false alarms without penalty and suggested that an ordinance on false alarms go into effect Jan. 1, 1996.

Webb said false alarms from home security systems are a national problem and the security alarm industry supports penalties for excessive false alarms.

He said he will choose the new sergeants based on a test and an oral interview.

In other action, the trustees approved the rezoning of three lots in The Medallion Club subdivision to planned residential so that homes can be built on them. Richard S. Brogan, senior vice president and director of site development for the developer, Champions Development Group of Westerville, said the lots, which are on the west side of Sunbury Road, will be about 1/3 acre each.

Set a hearing May 24 at 7 p.m. on a request to approve Highland Woods as a new development. The township's planning commission has recommended approval of the development.

Heard Bauman report that the fire department will lend to Harlem Township a spare fire engine for an unspecified period. The engine is subject to immediate recall.

4-H Club gears up

Galena Go-Getters 4-H Club held its first meeting April 24. Officers chosen were: Hillary Kerr, president; Mackenzie Parriso, vice president; Ashley Kerr, secretary; Kristina Stevenson, assistant secretary; Kyle Gaines, recreation leader one; Will Dannaher, recreation leader two; Lindsey Grossman, treasurer; Kyle Gaines, safety; Jacquie Andrusis, health; Charlie Stevenson, news reporter; and Ryan Gaines, assistant leader.

Plans for a community help project were discussed, including such ideas as picking up trash or planting trees or flowers. Plans for a bake sale in May were also discussed.

Marengo area events

By Mary E. McCurdy

Judy and Gary Pyles, Jeff, Sara and Greg were Easter dinner guests of Eleanor Keener.

Eleanor spent the weekend with her father-in-law, Washington C.H. and other relatives and friends.

Prayers and get-well wishes are sent to Fannie McLain, Terry Drake, Tom Taylor, Elma Black, John Curtis and Blaine Sheets.

Mark your calendars for the month of May: On May 15, Marengo, Fulton and Fargo Senior Citizens carry in at noon at Legion Hall; May 27 is recycling at the Marengo United Methodist Church parking lot.

May 16 the all-county potluck dinner will be at the Seniors Center in Mt. Gilead at noon. There will be a

program to follow the dinner. Bring your own table service and a covered dish or dessert. Meat and drink will be furnished. Come and bring a friend. Park at the Trinity United Methodist Church and the senior buggy will pick you up at 1:45 a.m. and take you to the center.

Dalton E. Houck was a Sunday supper guest of Mary E. McCurdy. John McCurdy visited James E. and Emily Houck, Dalton E. Houck, Dick and Millie Hines and Willie and Cindy McCurdy.

Harold and Garnet Adams, Floyd and Sharon Adams, Don and Dee Adams and Jim Strait were visitors of Irene Strait at Woodside Village.

Ivaloe Smith visited Paul and Barb Stiffler.

Happy anniversary to Mary Jane and Lewis E. Houck on their 30th. Mary Grace and David Brush and Kelly and Cindy Scarry.

Happy birthday to Tad Keckler, Doyle Whited, Scott Stanley, Lennie Zornes, Lincoln Stanley, Don McCurdy Jr., Tonya Metzger, Trisha Mowers, Vera Sharp, Becky Gleason and Floyd Rhinebolt.

Gosh, only five more weeks till school is out. Doesn't seem like this should be the first of May. Where has time gone?

Let's all say a prayer for all the people in Oklahoma City. What an awful thing to happen.

A.S.O. to meet May 17

The Alum Creek Chapter #39 of the A.S.O. will have its meeting on May 17 at 7:30 p.m. at the Genoa Township Hall, Old 3C Highway and Big Walnut Road. Guest speaker will be Martha Potter Otto, curator and archaeologist. Her topic will be Hopewell pipes.

Earth Day recycling project

BW Elementary fifth-grader Emily Muller, from left, parent volunteer Leslie Cornett, her daughter Penny Cornett, and other pupils in Mrs. Fling's class shared paper for a recycling and art project. Cornett coordinates many science-related activities for the class, and this one was especially appropriate for Earth Day activities focusing on recycling.

BWHS Honor Roll

The Following Big Walnut High School students have earned a grade point average of 3.5 or above with no C's, and have been named to the Honor Roll for the third grading period.

FRESHMEN— Abbie Danna, Megan Forman, Sheryl Jenkins, Demian Phillips, Daniel Reckner, Amy Shingley, Carey Stumpf, Ryan Townley, Sara Troiano, Jessica Toney, Melissa Schlaegel, Jodi Grandominico, Sarah Bedner, Amanda Bennett, Joseph Circle, Lindsay Falk, Zero Spero, Heather Moore, Dawn Thomgaie, Erin Waliser, Marilyn Barrow, Michelle Pealer, Joseph Taylor, Brian Bradford, Sarah Finck, Nathaniel Hoelzel, Joshua Greenwald, Michael Sayre, Natalie Miller, and Michael Haddaway.

SOPHOMORES— Jill Cieskie, Zachary Hite, Isabel Hsieh, Wendy Isbell, Naomi Kregge, Sarah Martin, Velvet Nelson, Erica Roche, Daniel Strohl, Tiffany Yinger, Ashley Hicks, Darci DeLong, Katie Engel, Jason Schermerhorn, Leigh Anne Davis, Maria Lynch, Bryce Sittes,

Jamie Holobaugh, Justin Sipes, Kelly Wolfe, and Jared Bright.

JUNIORS— Dawn Ferrell, Andrew Hartley, Heidi Kabler, Carrie Nice, Beth Pearson, Joseph Young, Curtiss Jarvis, Mark Miller, Justin Baby, Winona Rosen, Julie Shaffer, Ryan Miller, Rebecca Singer, Angie Fountain, Kristen Gloeckner, Morgan Howitz, Jennifer Zipf, Nami Fujii, Nicholas Danna, Andrew Bresnahan, Alayna Hicks, Greg Lehman, Jackie Bean, Michael Walke, Katie Wernz, Martin D'Imperio, Joel Jones, Emily Morris, Bobby Long, Heather Baker, Joshua Best, Koby Donohue, and Kristin Evans.

SENIORS— Amy Caudy, Martin Forman, Erika Hughes, Jody Leaf, Brandon Wood, Carrie Simmons, Erin Gaines, Dawn Miller, Essie Davis, Laura Downey, Amanda Mika, Ben Shaffer, Kristin Stoycheff, David Russell, Kevin Myers, Jamie Busic, Sheila Miller, Amber Nelson, Amanda Renner, Steven Murdock, Amy Martin, Amy Jacobus, and Casey Sarin.

The following students had a grade point average between 3.0 and 3.49 with no C's and were named to

the school's Merit Roll:

FRESHMEN— Katherine Kossman, Laura Kocheran, Naotsha Moran, Julie Murdock, Erika Seitz, Jeffrey Lehman, Matthew Bale, Lisa Gorsuch, Molly Greene, Timothy Martin, Molly Rice, Kayla Zeigler, and Donya Moss.

SOPHOMORES— J.R. Kennedy, Scott Elliott, Steven McDonough, Heather Miller, Carrie Newman, Amber Wood, Jessica Shaffer, Michelle Whiesel, Bethany Whittington, Keith Lynn, Bryn Read, Kimberly Clemmons, Jennifer Crowl, Chad Holtry, Samantha Burke, Amber Hogg, and Christina Simpson.

JUNIORS— Parri Hockenberry, Rachel Wootton, Nicki Herd, Kacey Kuhn, Brian Sweeney, Nathan Fling, Nathaniel Feeney, Joost VanEupen, Kurt Zoellner, Christopher Thomas, Kristen Shockey, Ty Stover, Jason Working, Aaron Vonville, and Robin Appleton.

SENIORS— Joseph Semon, Andy Martin, Carla Dority, Karen Detiore, Angela Paul, Charles Lehman, Ben Nowicki, Joe Santuono, Zeb Orr, Fred Blevins, Mike Hamilton, and Charles Williamson.

Dance recital set for May 7

Steppin' High Danz Studio will hold its first recital May 7 at the Delaware JVS beginning at 7 p.m. The recital will feature dancers ages 4 to 14 years. Participating will be the beginners, front row from left, JoAnn Jilder, Ashley Meyer, Stompe

Fleak, Emily Norman, Brooke Fry, Derek O'Neil, Bailey Stratton, Ashley Williams, Corinne Windle, Daneille Johnson, and (not pictured) Angel Ray; intermediate level dancers, center row from left, Kasey Walker, Brandi Stone, Amanda Sparks, Amber Dailey, Danielle Dudgeon, Ashley Dailey, and Kara

Fire reports

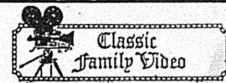

HARLEM TOWNSHIP

May 1, 12:26 a.m. — 13987 Center Village Road. Transported person with abdominal pain to St. Ann's Hospital.
May 1, 5:22 a.m. — 11050 Fancher Road. Transported a patient with a possible broken arm to St. Ann's Hospital.
April 30, 12:33 a.m. — 11050 Fancher Road. Responded to domestic incident. Cancelled at the scene.

April 28, 3:19 p.m. — 13938 Fancher Road. Responded to a small brush fire possibly out of control.

News Down Tussic Way

By Sandra Meacham

The Heartland Boys gospel group will be ministering at Grace Chapel Community Church, 7798 Big Walnut Road, 7798 Big Walnut Road, on May 7 at 10 a.m. They were nominated in 1993 as the "Best New Group."

Bill and Betty Kieper were on the WCVO Involvement this past week in New Albany.

Our deepest sympathy to the family and friends of Pastor Bob Swanger who died this past week following a brief illness.

A special happy birthday to David West, Larry Reeves and Joyce Oberley. Mr. and Mrs. David West and Sheri traveled to Kentucky recently to be involved in a horse show.

Jack and Marilyn Wilson had breakfast with Pastor and Mrs. James Meacham on Tuesday morning in celebration of Marilyn's birthday.

We wish a speedy recovery to Karen Cook following her recent illness and stay in the hospital.

Mr. and Mrs. David Oberley and Tisha traveled to Gallatin in the Smoky Mountains for a vacation trip. They will be camping while they are there.

Danielle Kelly celebrated her first birthday this past week. She is the granddaughter of Karen Rogers.

Dick and Lynda Chambers traveled to Newark on Sunday afternoon to visit with Lynda's mother. They were visiting following the death of Lynda's uncle.

The Youth Fellowship group of Grace Chapel Community Church visited at the home of Jeremy Dunlap on Saturday evening in celebration of Jeremy's birthday.

Mr. and Mrs. Bruce Whitte attended the Ashton/Becker/Dente concert on Saturday evening at Otterbein College. Their two sons visited with their grandparents, Mr. and Mrs. Jack Whitte, while their parents were at the concert.

Thought for the Week: "A person is about as big as the things that make him angry."

Traffic accidents claim two men

Weekend traffic accidents claimed the lives of two area residents.

Eric Thomas, 17, a Westerville North High School athlete, was killed in a traffic accident in Columbus April 30, and John E. Tilley, Marengo, 31, was killed April 28 when the car he was driving collided head-on with a school bus in Morrow County. The Ohio Highway Patrol's Mount Gilead post said Tilley was southbound on U.S. 42N about 2:10 p.m. when he drove left of center on a curve. His vehicle struck a Wheatstone School and Industries school bus, driven by Judy Milley, 51, of Waldo, head-on and then ran into a ditch. No students were on the bus.

The Natural
Gentle Process

"We never use perk."

Last year we started to promote our Natural Gentle Process. With a growing concern for protection of our environment the 140 Process is a wave of the future. It not only prolongs

the life of your garment, eliminates tell-tale odors, but is a natural and recyclable product.

Remember we also recycle plastic bags and coat hangers. We are one of a few Nationally Recognized and Designated "Certified Environmental Dry Cleaners."

Since 1948, our staff has been committed to helping you look and feel your best.

Aid to Oklahoma City victims

Children in Carol Wood's fourth grade class at Souders Elementary were studying Southeastern United States when the Federal Building in Oklahoma City was bombed. The students began to think of creative ways to show their concern.

They designed get-well banners for hanging on the hospital walls. During free time at school and at home, they prepared cards. These included thoughtful messages, pictures of the students, letters and poetry meant to encourage both the volunteers and patients.

Children's books were donated by both the students and Mrs. Wood. Sacks of candy were purchased for the rescue workers and the families involved. Ribbons, bows and silk flowers in the colors designated for the

missing, for the children, and for the people of Oklahoma were included.

Mrs. Wood's son, Air Force Staff Sgt. Curtis Lohr, a 1982 graduate of Big Walnut High School, was recently transferred to Oklahoma City as an Air Force recruiter. Fortunately Lohr's office was not located in the Federal Building but at an office about five miles from the bombing site.

At Big Walnut Elementary, pupils and staff raised about \$250 for bombing victims. The money was donated to the Delaware Chapter of the American Red Cross, to go into the national fund administered by that organization.

Officer Phil program continues

Souders Elementary students were treated recently to the Officer Phil Program, sponsored by the Sunbury Police Department. Gary Lee presented the program with the help of his puppets. The children were taught how to treat others and how to avoid possibly dangerous situations. Seen here is Lee asking the children for the "thumbs up" sign during one of his songs.

Representatives of Creative Safety Programs, who organize the program, are currently canvassing area businesses for financial aid to continue the program. The Officer Phil program has been offered in the Big Walnut schools for eight years.

Sunbury Police Department endorses the program and thanks area businesses for past financial support. For more information contact Sunbury Police Chief Gary Hall.

A puppeteer entertains pupils as part of the Officer Phil program.

Condit quips and quotes

By Nancy Fuller

Well! Here we are in the month of May. It's nice, going outdoors with our heavy winter coat and boots. The spring flowers sure look nice. Enjoy the spring.

We extend our sympathy to the family of Albert Johnson. Uncle Albert passed away Tuesday, April 25. His funeral services were Friday in Columbus, with burial in the Green Lawn Cemetery. He was 90 years old.

Congratulations to Dennis and Tami Satterfield on the birth of their daughter on January 24. Jessica Susan, along with her mother, Tami, and grandmother, Sharon Croushore, enjoyed a plane trip to Florida last month to visit with Jessica's great-grandparents, Bob and Lucille Wolfe.

Birthday wishes are sent to our grandson, Jeremy Sparks. He celebrated his seventh birthday with family and friends at Chuckie Cheese in Columbus. Jeremy got a real puppy for his birthday. There was also a lesson for his Grandmother Fuller.

Knowing he was getting a puppy, she bought some doggy toys and stuff for the new little owner as part of his birthday present. The lesson was: Jeremy said, "Grandma, it's my birthday, not the dog's."

Lucille Wolfe of Florida is visiting with her children and their families. Lucille attended the funeral of her father, Albert Johnson. Lucille is formerly of Galena.

Get-well wishes are sent to Cindy Walton. She had feet surgery last week. I'm glad to hear Nellie Beacom is better. She had dental work recently.

Nancy Fuller and her daughter, Teresa Sparks, visited with Nancy's father, her Aunt Guley Ball and her daughter, Betty Borror, last week.

Sheila Micholes and Chris Ball enjoyed a movie and dinner out. She attended Jeremy Sparks' birthday party and visited with her Grandpa Dard.

Kathy Longshore and Debbie Morgenstern have been enjoying their children's school events.

Call me with your springtime news.

Touchstone
to close

Touchstone Group Home, 290 N. Sandusky Street, will close May 15, officials announced last week.

It was a unanimous board decision, board president Jon Peterson said, made at an April 27 meeting. The decision was based on a "couple of months" of discussion about whether the group home was meeting community needs, he said.

"It was very, very difficult," said Peterson of the decision to close the 15-year-old group home for males aged 13 through 18. It has been in the Sandusky Street facility for about 10 years, he said.

The board will continue to meet with representatives of other mental health and community agencies "to redefine Touchstone's mission," he said, and to determine how the agency can best serve Delaware County youths.

"Group homes are a thing of the past," Peterson said.

Peterson said Touchstone will, for at least the next six months, remain an agency, but the North Sandusky Street building may or may not have a use as the agency changes its focus.

Harlem Happenings

By Betty Johnson

Friday evening many people came to the New Hope United Methodist Church spaghetti supper. After eating together, the Harlem Travel Club members went to Lilah and Robert Roger's home to play progressive euchre. There were 16 folks.

Wednesday, 10 members of Harlem Garden Club attended the OAGC Region Seven meeting at the Cardington VFW. Those ladies were Vonna Baney, Betty Johnson, Mary Fisher, Eloise Collier, Mary Smithberger, Ruth Johnson, Norma Jean Hill, Rosie Falk, Rachel Piper and Nancy Singer. Most members came home with new mini roses, daylilies or other plants that were for sale. They also learned a lot about daylilies from Charles Applegate, the curator at Kingwood Center and a daylily hybridizer and plantsman.

In the afternoon Nancy Annis of Reynoldsburg demonstrated some basic design ideas for county fair arrangers.

County Dems
hear from
Akron politician

Akron's Barbara Sykes was a bit sarcastic discussing last November's nationwide Republican election sweep with a crowd of Delaware County Democrats recently.

It was supposedly the election decided by angry white men, said Sykes, the first African American woman elected to Akron City Council. "Do we have any angry white men here?" she asked, drawing some laughter from the crowd of about 50. She and her husband, State Rep. Vernon Sykes, D-Akron, were featured guests at the local party's annual spring dinner in the Knights of Pythias Hall.

White males generally earn the most money in America, Barbara Sykes said. "But they are still angry at us, and I don't understand why," she said. "They want everything. They want your share, and they want my share."

"We have to be true to our party," Sykes said. "We are the working people in this country. When we are divided, when we are fighting among ourselves, the Republicans will beat us every time."

Republicans now controlling Congress and Ohio legislature are passing laws that help the rich and hurt the poor, Sykes complained, specifically mentioning the state's cutoff of general assistance payments. "This is a country that was built on helping people. Now, we're hurting people," she said, calling on Democrats to rescue social programs cut by the GOP.

Sykes also described House Speaker Newt Gingrich from a Democratic perspective — as a draft dodger who smoked marijuana and abandoned his ill wife. "And this man has the nerve to talk about our president," she said.

Sykes also said most Ohioans generally vote Democratic. "We simply cannot rest," she said. "Get out and kick some Republican ass," she said.

"This is the kind of enthusiasm we need in our party," Chairman Henry E. Banks Jr. said after the standing ovation for Sykes ended. Delaware County Democrats are typically outnumbered about 3 to 1 by Republicans in the county.

Another politician from closer to home — Cynthia Ruccia of Bexley — told the crowd she will run against U.S. Rep. John Kasich, R-Westerville, a second time next year. She said Kasich is smart, rude, and brash, doesn't reflect "our values," and has been in office long enough.

"If (voters) can learn the name 'Kasich,' they can learn the name 'Ruccia,'" she said.

Next Saturday many Harlem Garden Clubbers will be touring Kingwood Center and having lunch at "Brunches." There is a possibility of touring Wade and Gaton nurseries in Lexington, also.

Around 250 relatives and friends of Jeffrey Paul and Jennifer Linet helped them celebrate their wedding at Church of the Messiah, Westerville, and Royal American Links Golf Club on Miller-Paul Road. The whole afternoon and evening were filled with wonders! The rehearsal dinner was held at the Harlem Garden Hall on Friday evening.

May 4 the Harlem Travel Club will hear Chris Henney tell of his adventures as a foreign exchange student. It will be held at the Harlem firehouse.

School at Big Walnut is finished on June 1 — so until then, the calendar will be filled to the brim with events. The prom was held last Saturday.

So many things to do and see — so little time and money to use!

PUBLIC NOTICE

ORDINANCE NO. 95-009

An ordinance providing for the issuance and sale of \$170,000 notes, in anticipation of the issuance of bonds, for the purpose of improving the sewerage system of the Village by constructing and installing storm sewers, catch basins, manholes, connections and necessary appurtenances, and declaring an emergency.

Whereas, pursuant to Ordinance No. 94-006 passed April 6, 1994, notes in anticipation of bonds in the amount of \$185,000, dated May 5, 1994 (the Outstanding Notes), were issued for the purpose stated in Section 1, to mature on May 4, 1995;

Whereas, this Council finds and determines that the Village should retire the Outstanding Notes with the proceeds of the Notes described in Section 3 and other funds available to the Village; and

Whereas, the Clerk-Treasurer as fiscal officer of this Village has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the bonds described in Section 1 is 34 years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the bonds, is May 16, 2004;

Now, therefore, be it ordained by the Council of the Village of Sunbury, Delaware County, Ohio, that:

Section 1. It is necessary to issue bonds of this Village in the aggregate principal amount of \$170,000 (the Bonds) for the purpose of improving the sewerage system of the Village by constructing and installing storm sewers, catch basins, manholes, connections and necessary appurtenances.

Section 2. The Bonds shall be dated approximately May 1, 1996, shall bear interest at the now estimated rate of 5.34% per year, payable semi-annually until the principal amount is paid, and are estimated to mature in 20 annual principal installments that are substantially equal.

Section 3. It is necessary to issue and this Council determines that notes in the aggregate principal amount of \$170,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the Village, the Outstanding Notes. The Notes shall bear interest at a rate or rates not to exceed 7.14% per year (computed on a 360-day per year basis), payable at maturity and until the principal amount is paid or payment is provided for. If requested by the original purchaser, the Notes may provide that, in the event the Village does not pay or make provision for payment at maturity of the debt charges on the Notes, the principal amount of the Notes shall bear interest at a different rate or rates not to exceed 9.14% per year from the maturity date until the Village pays or makes provision to pay that principal amount. The rate or rates of interest on the Notes shall be determined by the Clerk-Treasurer in the certificate awarding the Notes in accordance with Section 6 of this ordinance.

Section 4. The debt charges on the Notes shall be payable in lawful money of the United States of America, or in Federal Reserve funds of the United States of America if so requested by the original purchaser, and shall be payable, without deduction for services of the Village's paying agent, at the office of a bank or trust company designated by the Clerk-Treasurer, provided that such designation shall be made only after determining that payment at that bank or trust company will not endanger the funds or securities of the Village and that proper procedures and safeguards are available for that purpose (the Paying Agent). The Notes shall be dated May 4, 1995 and shall mature on May 1, 1996.

Section 5. The Notes shall be signed by the Mayor and Clerk-Treasurer, in the name of the Village and in their official capacities, provided that if either of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Clerk-Treasurer, provided that the entire principal amount may be represented by a single note and may be issued as fully registered securities in accordance with Section 133.40 of the Revised Code and in book-entry or other uncertificated form in accordance with Section 9.96 of the Revised Code; if it is determined by the Clerk-Treasurer that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes, the Notes shall not have coupons attached, shall be numbered as determined by the Clerk-Treasurer and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this ordinance.

Section 6. The Notes shall be sold at not less than par at private sale by the Clerk-Treasurer in accordance with law and the provisions of this ordinance. The Clerk-Treasurer shall sign the certificate of award referred to in Section 3 evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price.

Section 7. The proceeds from the sale of the notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the

Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the sale of the notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the Village, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, as the same tax that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which has been established for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

Section 10. The Village covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the Notes will not be treated as an item of tax preference under Section 57 of the Code.

The Village further covenants that (a) it will take or cause to be taken any action that may be required by law for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any action that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Village hereby represents that the Outstanding Notes are treated as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Code. The Village hereby covenants that it will redeem the Outstanding Notes from proceeds of, and within 90 days after issuance of, the Notes, and represents that all other conditions for treating the Notes as "qualified tax-exempt obligations" and as not to be taken into account under subparagraph (D) of Section 265(b)(3) of the Code, without necessity for further designation, by reason of subparagraph (D)(ii) of Section 265(b)(3) of the Code. Further, the Village represents and covenants that during any time or in any manner as might affect the status of the Notes as "qualified tax-exempt obligations," it has not formed or participated in the formation of, or benefited from or availed itself of, any entity in order to avoid the purposes of subparagraph (C) or (D) of Section 265(b)(3) of the Code, and it has not formed, participated in the formation of, or benefited from or availed itself of, any such entity. The Village further represents that the Notes are not being issued as part of a direct or indirect corporate issue that combines issues or lots of tax-exempt obligations of different issuers.

Each covenant made in this section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the notes (and, if different, the original issue and any refunding issues) in a series of refundings, to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they deem necessary in connection to take with respect to the Notes.

The Clerk-Treasurer, as the fiscal officer, or any other officer of the Village having responsibility for the issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the Village with respect to the Notes as the Village is permitted to or required to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, paying, excess earnings as to, or obviating those amounts or payments, as determined by that officer, which

action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Village, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certifications of the Village, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the Village regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Section 11. The Clerk-Treasurer is directed to deliver a certified copy of this ordinance to the Delaware County Auditor.

Section 12. This Council determines that all acts and conditions necessary to be done or performed by the Village or to have been met precedent to and in the future for the Notes in order to make them legal, valid and binding general obligations of the Village have been performed and have been met, in regular and due form as required by law, that the full faith and credit and general taxing power of the Village (as defined in Section 9) of the Village are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation on indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13. This Council finds and determines that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the provisions of the Ohio Open Meetings Act.

Section 14. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the Village, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the Village to timely retire the Outstanding Notes and thereby preserve its credit; therefore, this ordinance shall be in full force and effect immediately upon its passage.

Passed in Council this 5th day of April, 1995.

Leonard Weatherby, Mayor
Carol A. Hoover, Clerk-Treasurer 3M44a

PUBLIC NOTICE

ORDINANCE NO. 95-010

An ordinance providing for the issuance and sale not to exceed \$350,000 notes, in anticipation of the issuance of bonds, to improve the municipal waterworks system by improving, renovating and remodeling, and acquiring new and additional treatment facilities and equipment for the water treatment plant, and providing related interconnections, together with all necessary appurtenances thereto, and declaring an emergency.

Whereas, the Clerk-Treasurer as fiscal officer of this Village has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least twenty years, the estimated maximum maturity of the bonds described in Section 1 is forty years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the bonds, is twenty years;

Now, therefore, be it ordained by the Council of the Village of Sunbury, Delaware County, Ohio, that:

Section 1. It is necessary to issue bonds of this Village in the aggregate principal amount of not to exceed \$350,000 (the Bonds) for the purpose of improving the municipal waterworks system by improving, renovating and remodeling, and acquiring new and additional treatment facilities and equipment for the water treatment plant, and providing related interconnections, together with all necessary appurtenances thereto.

Section 2. The Bonds shall be dated approximately May 1, 1996, shall bear interest at the now estimated rate of 6.00% per year, payable semi-annually until the principal amount is paid, and are estimated to mature in twenty (20) annual principal installments that are substantially equal.

Section 3. It is necessary to issue and this Council determines that notes in the aggregate principal amount not to exceed \$350,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds. The Notes shall bear interest at a rate or rates not to exceed 7.14% per year (computed on a 360-day per year basis), payable at maturity or at any date of earlier prepayment as provided for in Section 4 of this ordinance and until the principal amount is paid or payment is provided for. If requested by the original purchaser, the Notes may provide that, in the event the Village does not pay or

make provision for payment at maturity of the debt charges on the Notes, the principal amount of the Notes shall bear interest at a different rate or rates not to exceed 9.14% per year from the maturity date until the Village pays or makes provision to pay that principal amount. The rate or rates of interest on the Notes shall be determined by the Clerk-Treasurer in the certificate awarding the Notes in accordance with Section 6 of this ordinance. The principal amount of the Notes shall be determined by the Clerk-Treasurer in the certificate awarding the Notes in accordance with Section 6 of this ordinance.

Section 4. The debt charges on the Notes shall be payable in lawful money of the United States of America, or in Federal Reserve funds of the United States of America if so requested by the original purchaser, and shall be payable without deduction for services of the Village's paying agent, at the office of a bank or trust company designated by the Clerk-Treasurer, provided that such designation shall be made only after determining that payment at that bank or trust company will not endanger the funds or securities of the Village and that proper procedures and safeguards are available for that purpose (the Paying Agent). The Notes shall be dated their date of issuance and shall mature on May 1 year from their date of issuance, provided that if it is determined to be necessary or advisable to the sale of the Notes, the maturity date of the Notes is up to seven days less than one year from the date of issuance by setting forth that maturity date in the certificate of award. If agreed to by the original purchaser, the Notes may be prepaid without penalty or premium at the option of the Village at any time prior to maturity as provided in this ordinance.

Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the date of prepayment. The Village's right to prepayment shall be subject to the date of prepayment, stating the name and address of the Paying Agent, by certified or registered mail to the original purchaser of the Notes, and shall be subject to the date of that deposit, unless that notice is waived by the original purchaser of the Notes. If money for prepayment is on deposit with the Village, the original purchaser of the Notes shall be deemed to have waived the requirement of that notice (unless the requirement of that notice is waived as stated above), interest on the principal amount prepaid shall cease to accrue as of the date of prepayment, and upon the request of the Clerk-Treasurer shall arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment and delivery of the Notes.

Section 5. The Notes shall be signed by the Mayor and Clerk-Treasurer, in the name of the Village and in their official capacities, provided that if either of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Clerk-Treasurer, provided that the entire principal amount may be represented by a single note and may be issued as fully registered securities in accordance with Section 9.96 of the Revised Code if so requested by the original purchaser. The Clerk-Treasurer shall sign the certificate of award referred to in Section 3 evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The Clerk-Treasurer is authorized, if it is determined to be in the best interest of the Village, to combine the issue of Notes with one or more other note issues of the Village into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

Section 6. The Notes shall be sold at not less than par at private sale by the Clerk-Treasurer in accordance with law and the provisions of this ordinance. The Clerk-Treasurer shall sign the certificate of award referred to in Section 3 evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The Clerk-Treasurer is authorized, if it is determined to be in the best interest of the Village, to combine the issue of Notes with one or more other note issues of the Village into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

Section 7. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds shall be used to pay the debt charges on the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the

debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the Village, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year to the extent the income from the Village's waterworks system is available for the payment of debt charges on the Notes and Bonds and is appropriated for that purpose, the amount of tax shall be reduced by the amount of income so available and appropriated.

Section 10. The Village covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the Notes will not be treated as an item of tax preference under Section 57 of the Code.

The Village further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Notes are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. In that connection, the Village hereby represents and covenants that it, together with all its subordinate entities or entities that issue obligations on its behalf, or on behalf of which it issues obligations, in or during the calendar year in which the Notes are issued, (i) have not issued and will not issue tax-exempt obligations designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code, including the Notes, in an aggregate amount in excess of \$100,000, and (ii) have not issued, do not reasonably anticipate issuing, and will not issue, tax-exempt obligations (including the Notes, but excluding obligations other than qualified 501(c)(3) bonds as defined in Section 145 of the Code, that are private activity bonds as defined in Section 141 of the Code and excluding refunding obligations that are not advancing obligations as defined in Section 145(d)(5) of the Code in an aggregate amount exceeding \$100,000, unless the Village first obtains a written opinion of nationally recognized bond counsel as to such designation or issuance, as applicable, will not adversely affect the status of the Notes as "qualified tax-exempt obligations". Further, the Village represents and covenants that, during any time or in any manner as might affect the status of the Notes as "qualified tax-exempt obligations," it has not formed or participated in the formation of, or benefited from or availed itself of, any such entity. The Village further represents that the Notes are not being issued as part of a direct or indirect composite issue that combines issues or lots of tax-exempt obligations of different issuers.

The Clerk-Treasurer, as the fiscal officer, or any other officer of the Village having responsibility for the issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the Village with respect to the Notes as the Village is permitted to or required to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, paying, excess earnings as to, or obviating those amounts or payments, as determined by that officer, which

special amounts in lieu of making computations to determine, or paying, excess earnings as to, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Village, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certifications of the Village, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the Village regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Section 12. This Council determines that all acts and conditions necessary to be done or performed by the Village or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the Village have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general taxing power of the Village (as defined in Section 9) of the Village are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13. This Council finds and determines that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the provisions of the Ohio Open Meetings Act.

Section 14. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the Village, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the Village to timely enter into contracts favorable to the Village for renovations to the water treatment plant and other measures to further enhance the health and welfare of the residents of the Village; therefore, this ordinance shall be in full force and effect immediately upon its passage.

Passed in Council this 5th day of April, 1995.

Leonard R. Weatherby, Mayor
Carol A. Hoover, Clerk-Treasurer 3M18a

PUBLIC NOTICE

A Resolution authorizing the Chief of the Sunbury Village Police Department to sell at Auction Unclaimed Property

Whereas, the Village of Sunbury, Ohio has stored and maintained for a period in excess of ninety (90) days property of unclaimed personal property;

Whereas, the Ohio Revised Code §737.32 allows for the sale, at auction, after provision of due notice, of that personal property;

Whereas, the proceeds of such sale shall be paid to the Treasurer of the Municipal Corporation and be credited to the general fund;

Whereas, the Council for the Village of Sunbury desires to dispose of unclaimed personal property currently maintained by the Village of Sunbury;

Now Therefore, Be It Resolved by the Village Council of Sunbury, Ohio: SECTION 1: That the Chief of Police is hereby authorized to advertise the auction of unclaimed personal property set forth in the attached itemized Exhibit A, after giving due notice once a week for three successive weeks in a newspaper of general circulation in the County; and

SECTION 2: That the Chief of Police shall be charged with the responsibility of collecting the monies at the sale and depositing those monies with the Clerk-Treasurer for ultimate placement in the general fund; and

SECTION 3: It is found and determined that all formal actions of this Council concerning and relating to this Resolution were adopted in an open meeting of this Council and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including §121.22 of the Ohio Revised Code; and

PUBLIC NOTICE ORDINANCE NO. 95-008 Ordinance Identifying The Highest and Best Bidder for the Purchase of the 1986 Field Gymmy Model 2000 and Declaring an Emergency

Whereas, the Village of Sunbury, Ohio Council, Delaware County, Ohio, has previously authorized the Clerk of the Village to advertise and accept bids for the sale of the 1986 Field Gymmy Model 2000 vehicle; and

Whereas, the Clerk has advertised for, received and opened bids; and

Whereas, the Fayette County Sanitary Engineer has submitted the apparent high monetary bid for the vehicle; and

Whereas, the Fayette County Sanitary Engineer appears to be the highest and best bidder;

Now therefore, be it ordained by the Village Council for the Village of Sunbury, Delaware County, Ohio that:

Section One: The advertisement, receipt and opening of bids for the sale of the personal property, designated as the 1986 Field Gymmy Model 2000 is hereby adopted and ratified; and

Section Two: The Village Council waives all formalities attendant the bids;

Section Three: The Fayette County Sanitary Engineer has submitted the high monetary bid for the purchase of the Field Gymmy; and

Section Four: The Fayette County Engineer has satisfied the statutory obligations set forth in Ohio Revised Code §721.15, which provides the procedures necessary to sell personal property previously owned by the Village; and

Section Five: The Administrator is hereby authorized to enter into a contract with the Fayette County Sanitary

Engineer whereby the Village of Sunbury will transmit, sell and convey the 1986 Field Gymmy Model 2000 to Fayette County Sanitary Engineer for the sum of \$35,000.00; and

Section Six: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were conducted in an open meeting of this Council and that all deliberations of this Council or any of its Committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements including §121.22 of the Ohio Revised Code; and

Section Seven: That this Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of public peace, health, safety and welfare of the citizens of the Village of Sunbury, Ohio and so that the Village of Sunbury can realize the immediate benefits of the sale of this vehicle and provide Fayette County with immediate use of the vehicle.

Wherefore, this Ordinance shall take effect and be in force from and after its passage.

Vote on Suspension of the Rules and on the Emergency Clause:

#1 Choice for Spring

Explore Nature at its Best

"I have seen deer, rabbits, raccoons, squirrels, chipmunks, robins, cardinals, 3 kinds of woodpeckers and scads of small finches and other songbirds from my Patwil Home", quotes one of our new homeowners.

This quality of lifestyle could be yours in the areas we specialize in building. We have been building on 1-10 acre lots in non-subdivision settings for 40 years and have helped tens of thousands of families create a new environment to raise families, or just enjoy nature.

With prices from the 60's, almost everyone can make a friend in the wilderness.
